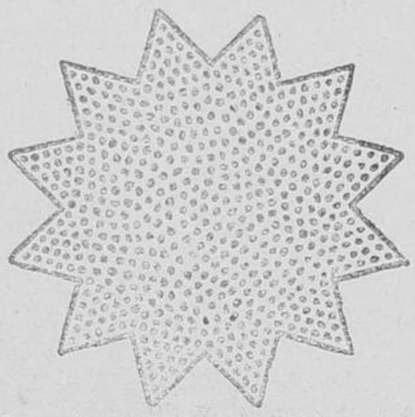
Count the Dots



In our last competition, in which we had a circle containing 346 dots, we had answers ranging from 800 to 2,000,000. On the whole, however, our customers counted better than we expected. At the close of the competition the winners were notified of their success, and the presents awarded just as we advertised. As a proof of this and as an evidence that we have kept perfect faith with our patrons, we will send a complete list of winners (excepting those objecting to publicity) to any address on receipt of a 3 cent stamp to pay postage. We do this instead of publishing them on account of the list being so very large. In our present competition we present the above star and ask our customers to count the dots as they did with those in the circle. With it we make this offer:—

To the first three persons sending in the correct answer we will give each an elegant GOLD WATCH, either ELGIN, WALTHAM, PERRY'S DIAPHEN, or other just class movement. We will give the same to the senders of the three correct answers, who are exactly far from the first and the last, while the persons sending in the last three correct answers will each receive watches exactly similar to the other six. THIS MAKES NINE GOLD WATCHES, EACH OF WHICH IS VALUED AT $100, that will positively be given away. A sample watch is now on exhibition at our office, and can be seen by any person interested; so if our sincerity is doubted the person may call, or have a friend do so, and see that they are all we claim. Remember each one is first-class and will be accompanied by a guarantee from the maker. WE PRESENT GOLD WATCHES in this competition in preference to PURSES OF GOLD because as a rule they last longer, and can, for years afterwards, be shown by the delighted possessors as an evidence that we do exactly as we promise. The watches will be presented to ladies' or gentlemen's place as desired. In addition we will give ONE HUNDRED EXTRA PRESENTS such as SILK DRESS PATTERNS, VALUABLE PIECES OF JEWELLERY, USEFUL AND PRETTY ARTICLES FOR THE TOILET, ETC., for intermediate correct answers. Should there be no correct answers, the presents will be distributed among those whose answers are nearest the correct number. Each answer must be accompanied by 50 cents in silver or stamps to pay for a box of Dr. Marz's Health Pills. We sell you the pills and give you the present. To any person who is dissatisfied and does not find the Pills exactly as we represent them, we will return their money. Our sole object in making this extraordinary offer is to introduce this excellent remedy into every home in America.

AS A TONIC Health Pills have no equal. The tired brain-worker and worn-out business man finds them especially adapted to his case. They give new life and energy, and make hard work easy. DR. MARZ'S HEALTH PILLS STRENGTHEN THE BODY AND BRIGHTEN THE BRAIN.

YOUNG MEN Who suffer from excesses of youth, nocturnal emissions, mental worry, over-work or sleeplessness, should use Health Pills. They will stop your troubles, give you energy and strength, and make you yourself again.

YOUNG WOMEN Pale and tired, who suffer from female weakness, scantiness, suppression of their sickness, headache, whites, pain in the back and bearing down pains, should use Health Pills. They restore the monthlies in all cases, build up the system, enrich the blood and make the face plump, bright and rosy.

MIDDLE-AGED MEN Suffering from premature decay, kidney or bladder troubles, the results of youthful follies, loss of energy, mental worry or over-work, should use Health Pills. They act especially upon the bladder and kidneys, and restore the vigor of youth to all failing organs, both physical and mental.

MIDDLE-AGED WOMEN Suffering from "change of life," headaches, pains in the womb, constipation, piles, irregularities and mental depression, should use Health Pills. They relieve all these symptoms, purify the blood, strengthen the nerves, regulate the bowels, and assist Nature in every way.

TO THE AGED Health Pills yield sound and refreshing sleep, give strength to the nerves, cheerfulness to the mind and ease to the body, so that the weight of years bears less heavily as the thread of life lengthens.

If the persons among whom we decide to distribute our presents object to publicity, and desire that no mention be made of their names, we will respect their wishes in the matter and forward presents to any address mentioned without the knowledge of even a third person. All communications addressed to us will be promptly answered and all correspondence regarded as sacredly confidential. In writing, address THE PARISIAN MEDICAL CO., (Canadian Branch), to 34 ADELAIDE ST. E., TORONTO

One Thousand Dollars

Isn't much compared with what Jay Gould had to leave behind him, but it would be a fortune to many a poor woman, left destitute by the death of her and her children's breadwinner.

Life Insurance

When it can be had from the Manufacturers Life at such a rate as 3½ cents a day per $1,000 is surely within the reach of most people in this country, or else the Budget speech was a bluff.

For 3½ Cents a Day

(Less than the price of a drink), a man can secure to his family, in solid cash, one thousand dollars—a sum which to them would be far better than nothing at his death (for there are still a few men left in this country earning good wages who will have to be buried at other people's expense).

"We pray you, avoid it."
