"If Any."
 The stereotyped plate, "If Any," used weekly by The Recorder when referring to the "alleged" right of the Metropolitan R. R. over Yonge street, may now be re-melted, as the Ontario Legislature has decided the Metropolitan has undoubted rights. The track, therefore, is not to be torn up as some of the members of York township council seemed to think possible.

Two More Fires.
 Aurora is having its share of fires. Since the block was burned two or three weeks ago, there have been two other houses destroyed. First Practice.
 The Fire Brigade held their first practice of the season on Monday evening. The engine was taken to the tank in front of John Harris' residence, and the hose was thoroughly tested. Every part of the apparatus worked well, only one break being made in the hose. Returning to the hall, the hook-and-ladder men had a practice, after which the fire extinguishers were put back in their proper places.

Refresh your rooms by covering the walls with some of the pretty designs shown by Atkinson & Switzer, exclusively. Odd lots very cheap.

An Official Trip.
 Warden Russell, reeve of Vaughan; Mr. Donald Macdonald, reeve of Georgina; and Mr. Baird, deputy-reeve of Scarborough—Commissioners on County Property—made an official trip over Yonge Street on Friday last and had dinner at the Palmer House. The commissioners were accompanied by Mr. McDougall, County Engineer, and Reeve Pugsley, of this village, drove with them to Holland Landing and back. On their way back the party made a visit at the Industrial Home.

The spring Mantles and Capes gotten up by the Concrete are very tasty in design and finished with extreme care. Atkinson & Switzer.

Miss Jessie Alexander has received a high compliment from Mrs. Potter Palmer, president of the Woman's Congress at the World's Fair, in the shape of a personal invitation to contribute to the programme on the occasion of Madame Mojeska's address on "Women's influence in the dramatic profession." Six others are to take part. Miss Alexander will be Canada's representative on the occasion, but previous to her departure she will take part in the concert to be given here under the auspices of the Agricultural Society on the evening of the 24th of May.

We have no hesitancy in saying that we have the very finest range of Ladies' Cashmere Hosiery in the village, from 23 cts. per pair up. Atkinson & Switzer.

W. C. T. U. Delegate.
 Mrs. (Dr.) Blakey, formerly Miss Minnie Law, of this village, is a leading temperance worker in Winnipeg, as the following item from the Manitoba Free Press would indicate: Mrs. (Dr.) E. A. Blakey has been appointed a representative from the Dominion Woman's Christian Temperance Union to the World's Congress of Representative Women, which meets in Chicago from May 15 to 22. While in Chicago, Mrs. Blakey will be the guest of the National Council of Women of the United States at the Palmer house. Mrs. Blakey will also represent the Dominion W. C. T. U. at the World's Temperance congress, which meets in Chicago, June 5 to 12.

Spring Exhibition.
 The blue posters announcing the Fair to be held on the 24th of May show that upwards of \$800 will be offered in prizes. The speeding races on the new track will be an important feature of the Fair. Among other contests there will be an open trot, a 2.50 trot, a two-year-old colt trot and a running race. Also bicycle races. The concert in the evening promises to eclipse any previously given, as the following excellent talent shows.—Miss Jessie Alexander, Miss Maude Alexander, Mr. Jas. Fax, Mr. John Fogg, Mr. D. E. Cameron, Mr. R. Theobald, Master Ready, and Mr. H. Brown, pianist.

Gentlemen desiring to have their collars, cuffs and shirts done up as good as new will find it to their advantage to send it to the Star Steam Laundry, Atkinson & Switzer, agents. Laundry goes every Saturday evening.

Sons of Scotland.
 At the last regular meeting of the Sons of Scotland, May 3rd, after the business of the Camp was over, an interesting programme was given. Bro. Dr. Langstaff taking the chair, a very interesting address was given by Bro. Dr. Wilson, subject, "Cholera," which was very instructive. An address was also given by Dr. Langstaff, subject, "Canada;" also a very interesting paper by Bro. Skeele, subject, "Commerce." Songs were sung by Bros. Cowie, Thomson, McKenzie and Newton. Five games of draughts were played, Cowie and McKenzie getting two games each. McKenzie and Newton played one, being a draw. Such entertainments as the above take place every night the Camp meets.

Some people are forever growing and grumbling about hard times and high prices and not being able to make both ends meet. We don't know what ends they mean but if they want the wishes of the heart to meet the capacity of the pocket they should call and see Atkinson & Switzer, the Dry Goods Men and Grocers, Yonge St., Richmond Hill.

Water by Gravitation.
 City Engineer Keating has promised to look into the water supply that may be got up Yonge-street near Thornhill. Mr. Langstaff thinks 12 million gallons a day can be got, which could be led down to the Rosedale reservoir (11 miles) by gravitation. This water comes from the Ridges and is pronounced pure. There are men of capital ready to develop this water supply if the city will agree to purchase it at a reasonable rate per thousand gallons. Say the city put out an offer of two cents a thousand gallons the water could be delivered profitably for that. We believe that there is a copious supply of spring water up the way of the Ridges—at all events, it might be looked into.—World.

Found out at Last.
 The citizens of Richmond Hill know that our fellow townsman, Mr. Alex. Moodie, has one of the best kept gardens in this part of the county. Neither will they dispute the fact that he is a good authority on anything appertaining to the roarin' game of curling. But we venture to state that comparatively few people this side of Scotland have ever been aware that he is a specialist as a judge of horse flesh. A recent issue of The Mail "gives it away." That paper gave a glowing account of the Annual Spring Show of horses of the Nottawasaga Agricultural Society, held at Dunroon, and the judges were Messrs. W. Kitchen, of Yale, Michigan; A. Lawson, of Sunnidale; and A. Moodie, of Richmond Hill. Shake, brother Moodie.

 The Grip Printing and Publishing Co., are asking for tenders for the purchase of the comic newspaper we all have known so long as Grip. The date up to which tenders will be received is May 31st, 1893, and all information regarding circulation, advertising, etc., will be given on application to Mr. Howell, at the company's offices, 201 and 203 Yonge St., Toronto. This will not affect the other business of the company, as all other departments will be continued in the premises above mentioned.

Worth Remembering.
 The law of Ontario provides that a person taking up any estray stock shall give notice by publishing a notice three times in a weekly newspaper, if one is published within the section where the estray is taken up, and if the property is not called for within three weeks after the first assertion of the notices, the finder shall go to a justice of the peace and take oath to the finding and advertising. If the property is not claimed within one year, and should not exceed \$50 in value, it then belongs to the party taking the same up. If over \$50 it shall be advertised by the justice and sold, and the excess of all expenses shall be paid over to the county treasurer. Any person taking up an estray animal and neglecting to cause the same to be advertised and appraised is liable to a fine of \$20.

BIRTHS.
 LOCKE—At Weston, on Thursday, the 27th of April, the wife of Rev. John Locke, of twin sons.

Rebecca Wilkinson, of Brownsvalley, Ind., says: "I had been in a distressed condition for three years from Nervousness, Weakness of the Stomach, Dyspepsia and Indigestion until my health was gone. I bought one bottle of South American Nervine, which did me more good than any \$50 worth of doctoring I ever did in my life. I would advise every weakly person to use this valuable and lovely remedy. I consider it the grandest medicine in the world." A trial bottle will convince you. For sale by W. A. Sanderson.

ROBERT SIVERS

Takes this opportunity of again thanking his numerous customers for their liberal patronage for the past year. In days gone by, when there was less competition, people were in the habit of trading exclusively at one store, but now, after comparing of interest, quality and price they purchase where they believe the best value can be procured. This fact we constantly kept in mind while selecting our Spring and Summer Stock. It will be to your interest to give us a call. We realize that it is often misleading to compare prices without seeing goods. We have a complete stock of Ladies' and Gents', Misses', Boys' and Children's Footwear in all colors, styles and prices. Our stock of Ladies' and Gents' Oxfords are complete. We would call special attention to the finish and workmanship of our goods.

ALSO IN STOCK
 Men's and Women's Cork Soles and Blakey's Plates. Laces in Porpoise and Cordovan, Silk and Braid. Sabin's Beeswax Oil, Waterproof Oil, Glycerole Polish, Ladies' Buttons and Button Hooks, and Button Fasteners. Antoine's Paste Blacking. Trunks all sizes at wholesale price.
 Custom work a specialty, pegged and sewed. Repairing promptly and neatly done.
