In the Cooler.

A "scrap" on Monday ended by one of the belligerent participants being landed in the lock-up by Constable Brownlee. After his fevered brow was down to normal temperature he was allowed to depart to his country home in the cool shades of the evening.

The Grocery department of the Concrete House is very complete and you may always be sure of getting all the novelties and delicacies of the Table there, Fresh and Clean. Atkinson & Switzer.

For the Fair.

Two special trains, one of horses and one of cattle, started Tuesday night from Toronto for the Chicago Fair. A large number of horses and cattle were from the farm of Mr. R. Davies, Don Mills, and Messrs. Russell Bros., of this place, sent a fine herd of their short horn Durhams. It is more than likely they will give a good account of themselves.

Dress Goods at 5, 9, 10, and 12 1/2 cts., that are really worth 12 1/2, 15, 20 and 25 cts., are snaps that cannot be picked up every day of the year. They have a few left at the Concrete House, call and look through them. Atkinson & Switzer.

The Concrete House is having an unprecedented run on ready-made Overalls, made in the best style and with the best sewing throughout. No slop work. Atkinson & Switzer.

Farmer's Milk.

We are glad to find that the Aylesbury Dairy Co., of Toronto, who have been carting milk from here for some time, are giving good satisfaction to the farmers from whom they buy their milk, in their manner of doing business. As soon as they can obtain a further supply it is their intention to put on a two-horse wagon. The farmers who have been selling their milk state that it pays them much better than butter-working.

Sherwood.

Rain is much needed in this locality, as, owing to the continued dry weather, several of the wells have gone dry. Large congregations greeted Rev. Mr. Fishburn here last Sunday, and appeared to be glad to again meet their old Pastor. The congregations of the Lutheran church held a meeting on Monday evening and decided to hold their annual Harvest Home Service on Sunday, August the 27th, and party on Monday eve, the 28th. A good programme will be arranged. See bills later.

A Substitute for the Seashore.

A sort of sick-at-the-stomach-feeling has been experienced by many of our citizens during the past week in town, the result, the doctors say, of the recent rapid changes of temperature from excessive heat to very cool weather. A very good thing to overcome this sick-at-the-stomach or bilious feeling is to be found in Membray's Kidney and Liver Cure—a few doses at a time being sufficient to regulate the disturbed condition of the liver.

Harvest Home.

The annual Harvest Home and Festival in connection with Trinity Church, Thornhill, will be held on Aug. 24th, 1895. Evensong will be sung by the Choir (Surplised) of St. Mary Magdalene's Church, Toronto at 2.30 p. m. The sermon will be preached by the Rev. J. H. McCollum, M. A., T. C. D. Tea, Ice Cream, &c., will be served in the grove of Hawthorne Mineral Springs, from 4.30. Lawn Tennis, Croquet, Football, &c., will be provided. Tickets, 25 cents; Children, 15 cents. Proceeds from offertory at service and from sale of tickets will be devoted to Sunday School and Organ Funds.

The Coming Picnic.

Large posters are out announcing the programme of sports for the R. C. picnic to be held on the park here on Monday, the 28th inst. In the forenoon at 10 o'clock a football match will take place, the competing teams to be Newmarket, Victoria Square and Richmond Hill, prize a football. In the afternoon there will be two horse races and two bicycle races. Twenty horses are named for the first trot which will be for a purse of \$40. In the open race the purse is \$75. A number of good horses is expected. One of the bicycle races is for professionals, the other for amateurs. There will also be a foot-race for amateurs. The Richmond Hill Brass Band has been engaged to furnish the music for the day. All entries for the sports and races are to be made with Mr. J. Kelly, Secretary, previous to 10 o'clock on the morning of the picnic. Interested parties should consult the bills for particulars.

Departmental Exams.

The names of the successful candidates at the recent departmental examinations were published in the Toronto dailies on Saturday last. We are glad to notice that Richmond Hill High School made a good showing, seven candidates having passed the Primary, equal to the former third class certificates, and two passed the Junior Leaving, equal to the former second class certificates. The names are as follows:

Primary—N. Dixon, A. E. Gohn, W. A. Glass, M. E. Harrison, W. Hall, E. Switzer, A. Sheppard.
 Junior Leaving—D. C. Palmer, L. A. Ritchie.

This year only eight candidates were encouraged to write for a third class certificate, and seven of them were successful. Four were permitted to write for a second class and two have succeeded. Thus, eighty-seven per cent. have been successful in obtaining a Third class, and fifty per cent. in obtaining a Second class, or a total of seventy-five per cent.

Unsuccessful candidates who desire to know the number of marks they made will apply to the principal for them.

Died in the Prime of Life.

It is our painful duty to record this week the death of Mr. James Thomson, who died at his home at Headford on Friday last. He had suffered for the past two or three months with cancer on the bowel, and bore his pain with trusting resignation. The writer of this notice was among the hundreds who visited him during his illness, and although he was anxious to recover for the sake of his sorrowing wife and relatives, never was he heard to complain of having to leave this world in the prime of life. Although only forty years of age, deceased had accumulated considerable property by his industry and perseverance, and often had we heard him say that a man who was willing to work could make a good living in Canada. For many years he was one of the most successful and energetic agents of the Patterson manufacturing firm, and for the past few years he had worked in connection with Cassidy's marble works. He lived in this village for several years, until last spring, when he sold his comfortable residence and bought Mr. Menro's farm at Headford. That he was well known and highly respected could be seen from the fact that the funeral procession to the Richmond Hill cemetery last Sunday was the largest ever witnessed here for many years. After the burial a sermon was preached by Rev. W. W. Percival, the auditorium and gallery of the Presbyterian Church being crowded with mourners and friends. The Dr. took as his text Thes. 4th chap., 13th verse. At the close of a very impressive sermon he said that the career of deceased had been a consistent one, and rarely had he ever seen a person meet death more calmly. Deceased leaves a widow, a father, three sisters and a brother to mourn his loss. His relatives, and especially his devoted wife, have the sincere sympathy of a large circle of friends in their sad bereavement.

English Spavin Liniment removes all hard, soft or calloused Lumps and Blemishes from horses, Blood Spavin, Curbs, Splints, Ring Bone, Sweeney, Stiffes, Sprains, Sore and Swollen Throat, Coughs, etc. Save \$50 by use of one bottle. For sale by W. A. Sanderson.

Return Match.

The return match between Markham and Richmond Hill Lacrosse teams was played in Mr. Crosby's field on Saturday and resulted in a victory for the home team by 2 to 0. There was good play on both sides, although the visitors were not a match for their opponents. There was a good crowd of interested spectators, of both sexes, and had the grounds been in good condition there would have been a fine exhibition of the National game. Mr. Ed. Wilson captained the Markham team, Mr. Will D. Atkinson filled a similar position for the Hill boys, and Mr. C. G. Derry acted as referee to the satisfaction of both sides. After the match the visitors were treated to a supper at the Dominion Hotel. As near as we can tell the names of the players and their positions are as follows:—

ROBERT SIVERS

Takes this opportunity of again thanking his numerous customers for their liberal patronage for the past year. In days gone by, when there was less competition, people were in the habit of trading exclusively at one store, but now, after comparing of interest, quality and price they purchase where they believe the best value can be procured. This fact we constantly kept in mind while selecting our Spring and Summer Stock. It will be to your interest to give us a call. We realize that it is often misleading to compare prices without seeing goods. We have a complete stock of Ladies' and Gents', Misses', Boys' and Children's Footwear in all colors, styles and prices. Our stock of Ladies' and Gents' Oxfords are complete. We would call special attention to the finish and workmanship of our goods.

ALSO IN STOCK

Men's and Women's Cork Soles and Blakey's Plates. Laces in Porpoise and Cordovan, Silk and Braid. Sabin's Beeswax Oil, Waterproof Oil, Glycerole Polish, Ladies' Buttons and Button Hooks, and Button Fasteners. Antoine's Paste Blacking. Trunks all sizes at wholesale price.
 Custom work a specialty, pegged and sewed. Repairing promptly and neatly done.
