We employ no canvassers or fakirs to solicit your trade for us. These canvassers usually accost you on the street, present a card, pretend to be your friend, and recommend you to a certain house. Fortunately this sort of thing is nearly played out, but there's still too much of it, and not a thousand miles away from the market, either. Beware of these people, unless you want to pay a heavy commission on each dollar's worth you buy.
