Babies' Number.

The publishers of The Mail are getting on a Christmas Number for Saturday, the 23rd of December. They say it will be full of the pictures of babies, and they ask their customers who have pretty babies to send them their photographs for that number. No doubt they will receive a large number of photographs.

Sherwood.

The Rev. J. E. Manover, Missionary President of the Pittsburg Synod of the Lutheran church, of Pittsburg, Penn. will occupy the pulpit, next Sunday morning and evening at the Lutheran church, 4th Con. Vaughan. A cordial invitation is extended to all. The same gentleman will also assist the pastor, Rev. J. A. Dunlap, at communion next Sunday afternoon at Murray Chapel.

Everything that is necessary to make a home pleasant and happy, except husbands, wives and children—you have to furnish them yourselves—can be found at Atkinson & Switzer's outfitting store.

They All Do it.

Men are always "putting their foot in it." And women to. They sometimes get into trouble, but those are not the people who put their feet into Siver's Boots and Shoes. The latter class of people always feel comfortable and happy. They never know what it is to have corns, and they never begrudge the price they pay for them. It will pay you to read carefully the new advertisement on another page and then go and see the stock for yourselves.

"My, that Coffee smells good!" is frequently heard remarked by customers when Atkinson & Switzer are grinding their choice brands to their order.

Headford.

The trustees of School Section No. 3 have re-engaged their present teacher, Miss Eida Osborne, of Nottawa, Ont., at a salary of \$340. Miss Osborne is an excellent teacher and is giving general satisfaction. At the Muskoka and Parry Sound Teachers' Convention held on Friday at Rosseau, Mr. H. A. Lunan, formerly of Headford, principal of Rosseau Central School, was unanimously elected President of the Association on the first ballot. His friends in this part of the country will be glad to hear of the honor conferred upon him.—Com.

Firemen's Concert.

A Concert under the auspices of Thornhill Fire Company will be held in Victoria Hall, Thornhill, on Tuesday, Nov. 21st, 1893. The following talent has been secured: Mr. and Mrs. W. E. Doors open at 7.30 p. m.; Concert at 8. Tickets, Adults, 25 cents; Children under 12 years, 15 cents.

Elgin Mills.

The horse raffle is declared off, Frank having struck a trade up north. The boys are somewhat disappointed, as each fully expected to throw the highest. A pair of ducks, which were being stall fed for the 23rd, mysteriously disappeared a few days ago. We have not heard whether the owner intends offering a reward for their recovery or not. There is talk of a Progressive Enchre Club being organized for the winter months.—Com.

Burglary.

Last Saturday night the post office and the store belonging to Mr. R. S. Thomson, of Maple, was burglarized. The thieves gained an entrance by boring two large holes in the panels of the door, and then withdrawing the bolts at the top and bottom, after which they coolly went through the store. Cash seems to have been what they were after, but they only succeeded in getting a few dollars' worth of stamps, some coppers, a silver watch, and a couple of chains. Other articles may have been taken but are not missed. No clue to the burglars has yet been found.

Aurora Branch.

Mr. D. A. Radcliffe, manager of the Aurora Branch of the Ontario Bank, was in the village on Tuesday and left us an advertisement, which will be seen on another page. We are pleased to insert the advertisement, but would prefer seeing a banking establishment in Richmond Hill. The business men of the place as well as many farmers in the surrounding neighborhoods, know the conveniences of such an institution, and we have reason to believe that a good business could soon be worked up here, as was the case when the Central Bank was with us.

Card of Thanks.

The Ladies of the Women's Auxiliary desire to return their sincere thanks to those who have so promptly and liberally responded to their "Appeal for the Needy," most of the clothing being warm and substantial, and in good repair, some articles being excellent and apparently little worn. A distribution has been made of the bulk of the things, a few being reserved in case more needy ones may be discovered, who have been overlooked. If such will apply they will receive kindly attention. Those who have not been called upon by the committee for their donations will be in the near future. They also suggest that all obsolete articles of the wardrobe continue to be placed at their disposal during the approaching winter, that no one may be deprived of the comfort of being warmly clothed; "He that giveth to the poor lendeth to the Lord."

Severely Hurt

Mr. Hugh McDowell, who resided on the Johnston farm, lot 23, 3rd Con., East York, 2 1/2 miles from Newtonbrook, was thrown from his rig in Toronto on Wednesday of last week, and received very severe injuries. He lay unconscious in the Toronto Hospital for several days suffering from an attack of concussion of the brain. It is hoped he will recover.

The "Witness."

The Montreal Witness is now offering the remainder of the present year free to new subscribers for next year, as an encouragement to give that valuable paper a trial. The Witness, both Weekly and Daily, has, during the year, adopted what it declares to be the most modern, with neat, small, convenient pages, being enabled by the possession of one of the most complete printing presses ever built by the Hoes, of New York, to vary the number of pages at will. The paper enters the press at two pieces, on rolls broad or narrow as required, and the newspapers come out at lightning speed, folded, pasted and cut. Besides the improvement in form, there is a remarkable improvement in typography, the type being set by the wonderful Linotype machine which attains the speed of five men, and casts a new type face every time. The proprietors invite visitors to Montreal to visit these machines. The picture element has so greatly developed in the Witness that it may now be fairly be called an illustrated paper. The Witness has moved to the busiest corner in Montreal, the junction of Bierry and St. Peter street, with Craig street, and has a spacious building there which is in some respects as fine a newspaper office as is anywhere to be seen. The price of the Daily Witness is three dollars, and of the Weekly Witness one dollar, while the little pioneer paper, the Messenger, costs only thirty cents.

Epworth League.

A pleasant time was spent at the Epworth League meeting on Friday evening. The president, Mr. A. J. Hume, occupied the chair. After singing by the assembly and prayer by Rev. Mr. Dean, a musical program was rendered as follows: Duet by Misses Annie Glass and Jennie Wiley; Violin Solo by Master Reggie Storey; Solo by Miss Ethel Switzer; Instrumental Duet by Messrs. Percy Powell and England Mason, on cornet and clarinet. Miss Edith Switzer and Miss Annie Miller acted as accompanists on the organ. The entertainment closed with a debate on the subject: "Resolved that education yields a greater influence than wealth." The speakers on the affirmative side were W. Hall (leader), O. Vickery and W. A. Glass; the negative were James Wright (leader), E. H. Redditt and Wye Trench. The judges were Rev. W. Dean and Messrs. W. Harrison and T. E. McMahon. Each of the young orators was allowed ten minutes in which to expound his views, after which the leader of the affirmative side was given five minutes to close the debate. The discussion was very interesting and many good points were made on each side. Mr. Harrison in announcing the verdict congratulated the speakers on the manner in which they handled the subject, saying that debating was one of the best means of self-improvement. After considering the different points made on each side he said the judges had decided in favor of the affirmative.

What Canadians Can Do.

We take pleasure in directing the attention of our readers to Toronto Saturday Night's Christmas Number, which is just appearing on the market. The premium picture is a large photograph, 2x28 inches, entitled a Moment of Suspense, purchased from its owner in Germany at a very large sum. In reproducing this picture twenty colors are called into use by the lithographers. The picture represents a group of ladies and one gentleman of the period of Louis XV. of France, dressed in the superb attire of that time, in a splendidly furnished room. The gentleman, with a stick, is opening a trap in which is a mouse; a cat crouches near by to spring upon the captive, while the ladies have flown for safety to the top of chairs, tables and couches. The leading feature of the Christmas Number is The Random Reminiscences of a Nile Voyager by Charles Lewis Shaw, being a humorous and thrilling account of the expedition of 1884 to the relief of General Gordon, who was besieged by the False Prophet behind the walls of Khartoum. There are several good stories including one by Mr. Edmund E. Sheppard, entitled With Murder in His Heart. This is a story of cowboy life in Texas. In poetry the number is rich. Among those contributing are: E. Pauline Johnston, Charles Gordon Rogers, Ernest Hawthorne, K. Wheeler, Gus M. Beers, George Moffat, Rueben Butchart and G. E. D. Five full page engravings adorn this number. The price of the number remains as in previous years, 50 cents per copy. Buy it of your bookseller, or on receipt of the sum at the Saturday Night office, 9 Adelaide street, west, Toronto, a copy (along with premium picture) will be sent, postage paid to any address in the world.
