Another P. O. Burglarized.

The gang that are at present operating among the post offices of small Provincial towns and villages visited Kettleby on the evening of Thanksgiving Day, and blew open the safe, taking therefrom \$52 in cash, three watches and a large quantity of stamps. On Saturday the police arrested Charles Jacobs and Charles King, alias Baker, on suspicion of being implicated in the burglary. The authorities believe they have a very strong case against the prisoners.

Find out the Cause!

Is the print bad? Or is the trouble with your eyes? Sometimes it is the former, but not always. If reading THE LIBERAL hurts your eyes, you may be sure there is something wrong with them. Perhaps they are failing. If so you should not continue to ruin them by compelling them to perform harder work than they are capable of. Call at THE LIBERAL store and get a pair of Lizards or Laurence spectacles. The prices run from 25 cents up. Best pebbles in the market for \$2.00.

Our Friends Abroad.

To myriads of people it will be good news that there is to be a Christmas number of the Montreal Star this year. All over the world the Santa Claus spirit gets into the air at the beginning of December, no matter whether times are good or bad. Friends away across the seas, over the broad prairies or even at nearer distances, look for a message, and glad will thousands be that we are to have a glorious Christmas number of the Montreal Star laden down with fascinating gems of art.

Token of Esteem.

At the annual supper of the York County Council held at the Clyde Hotel, the members of that body presented the Warden, Mr. Andrew Russell, Reeve of Vaughan, with a handsome gold-mounted Malacca cane, as a token of appreciation of the successful way in which he has filled the duties of his responsible position during the year. The Warden thanked his colleagues in a neat speech.

When you take another's advice you are sure to remember it provided the advice is sensible and profitable. That's why Atkinson & Switzer's business is so well advertised by their friends.

New Books.

Over 200 new books by best authors have been added to the Mechanics' Institute Library during the past week. They were catalogued and in their places on Tuesday night last. We might here say that as several of the members have not paid for their membership tickets, they are requested to do so. Fees may be paid either to the librarian, or to the secretary.

Boyle; 1st Vice President, Wm. Atkinson; 2nd Vice President, W. H. Pugsley; Secretary, C. McLean; Treasurer, H. A. Nicholls; Chaplain, Rev. J. Vickery. Committee of Management, A. McLean, J. Next Sabbath.

The collections in the Methodist Church next Sunday will be for the Superannuation Fund. Although there is a prejudice in some quarters against making provision for Methodist ministers in their old age, we firmly believe the principle is sound, and that members and adherents of churches should give liberally into this fund. It should not be forgotten that all ministers are forced to contribute yearly to this fund themselves. Some of the most faithful ministers are known to be bad financiers, therefore it is well to make provision, not only for those who may be unfortunate, but also for those who have failed to provide for themselves near the close of life.

The Plebiscite Campaign.

At the first meeting held in Temperance Hall for the purpose of arranging for the Plebiscite Campaign, on Wednesday last, the 22nd inst, the following officers were chosen:—Mr. J. A. E. Switzer, President of the Association; Mr. Wm. Harrison, Secretary and Treasurer; Finance Committee, Messrs. John Sanderson, Wm. Atkinson and Ralph Langstaff, M. D.; Committee on Public Meetings, Revs. Dr. Percival, J. Vickery and W. Dean, and Messrs. A. McLean and Wm. Storey; Music Committee, Messrs. W. D. Atkinson and A. J. Hume. Meetings are to be held each week on Wednesday, in the Temperance Hall, to be addressed by local ministers and others until Jan. 1st, 1894. Collections will be taken up at each meeting to defray the expenses of the Campaign.

Home made socks, &c. Mitts, heavy and warm. Naughton Bros., Elgin Mills.

Presbyterian Church.

On Thursday last, Thanksgiving Day, a Union Service was held in the Presbyterian Church. In the absence of Rev. J. Vickery, who was suddenly called away from home, a good practical sermon was preached at 11 a. m. by Rev. Dr. Percival. There was a large attendance, and a liberal collection taken on behalf of the poor of our village. In the evening an excellent tea was served in the basement of the church, followed by a concert in the auditorium by the Choir of Chalmers' Church, Toronto. The choir, twenty-five in number, under the able leadership of Mr. C. Savage, gave some excellent music, which was thoroughly appreciated. The anthems were well rendered, and solos, duets, trios, &c., by Messrs. Dimmock and Verral, Mrs. C. Savage, and Misses Scott, McKimmie and Bates, were particularly worthy of notice. There were many encores, including an enthusiastic one for another cornet solo by Mr. C. Savage. Charlie responded by playing "Home Sweet Home," after which his many friends and former companions here applauded louder than ever. At the close of the entertainment the chairman, Rev. Dr. Percival, referred to the very pleasant evening spent, and thanked the choir for coming out from the city and giving such a musical treat. Receipts, \$103.

Temperance Hall.

The second of a series of temperance meetings for the purpose of educating public opinion, with a view of voting for the plebiscite on the first of January, was held in the Temperance Hall last evening. The addresses delivered by Rev. Wesley Dean and Rev. Dr. Percival were worthy of a large audience, although it is perhaps fair to say that the weather was not such as to encourage people to leave their homes at the hour appointed for the meeting. Mr. J. A. E. Switzer occupied the chair, Miss H. H. Wiley acted as organist, and Mr. J. H. Sanderson led the singing. Both of the rev. gentlemen who spoke referred to prohibition from different standpoints, and both speakers took pains to show that even from a financial point of view this province would immensely gain if a prohibitory law were enforced. Next Wednesday evening another meeting will be held when addresses will be given by resident ministers and good music will be furnished. It is hoped there will be a large attendance.

Good 3 ply Cotton Bags for \$2.00 per doz., at the Fire Proof.

The Epworth League.

On Friday Nov. 17th inst., the members of the Epworth League had, as topic for consideration and thought, "The typical women of the Bible." The following essays were read by the authors:—"Martha, or the Woman in the Home," by Miss Gertrude Grant; "Doreas, or the Sister of Charity," by Miss Mattie Harrison; "Ruth, or the Model Daughter-in-law," by Miss Bessie Redditt; "Lydia, or the Woman in Business," by Miss Annie Sheppard; "Jezebel, the Wicked Woman," by Miss Milly Trench; "Deborah, a Leader," by Miss Storey; "Mary, the Christian Woman," by Mrs. Switzer. Last Friday evening, on account of the illness of the President, the Rev. W. Dean occupied the chair. The program consisted of reading and music, and an address by the Rev. F. Langford, of Toronto, on the importance of right living. Mr. Langford came to fill the place of Mr. Russell Starr, who was prevented from being present, as announced, by sickness. The next meeting of the League will be Roll Call. Subject for consideration by the members, "Am I my Brother's Keeper?"

For 23 cents you can buy each of the following at the Concrete: 5 Bars of Ammonia Electric Soap, 5 Bars of Borax Electric Soap, 5 Bars of New Process, 6 Bars of D. & H. Electric, 6 Bars of Russian Electric, 4 Bars of Richard's Pure Soap, 4 Bars of Surprise, 5 Bars of Ideal, a nicely wrapped soap same weight as Surprise, one large Jubilee Bar, and 5 Bars of Carnival, Atkinson & Switzer.

Victoria Square.

The sporting fraternity of this place met on Thursday last to test their skill at off hand rifle shooting. Although the weather was cold quite a number were in attendance and considering that but few had any previous experience in off-hand shooting, some creditable scoring was done. After fifteen rounds had been fired a meeting was held in W. Meek's Hotel to consider the advisability of forming a club. All present agreed that Victoria Square possessed the material for a first-class rifle team and accordingly a club was organized to be known as the Victoria Square Off Hand Rifle Club. Officers were elected as follows: Pres., J. C. Jenkins; Vice-Pres., James Lever; Sec-Treas., W. Scott; Committee of Management, T. Frisby, A. McKay, John McKenzie, Geo. Browne and J. Trudgeon. It was decided the club should meet for practice on the first and third Wednesday afternoon in each month. Victoria Square boys have always been well to the front in any out-door sports they have engaged in and there is no probability that this undertaking will prove any exception to the rule. Challenges for friendly matches with clubs within reasonable distance will receive prompt attention.
