#### Confidential to the Ladies.

Ladies, do you know that there  
are some preparations on the market  
that are so adulterated that they are  
unsafe to use? especially in the  
preparation of the food supply, and  
no preparation can admit of adultera-  
tion so much as baking powder;  
don't use a cheap or any other kind  
of baking powder that you do not  
know what it is composed of; well  
if you use a baking powder use one  
which you can place confidence in;  
my baking powder is perfectly pure  
and mixed with the greatest caution  
and of the purest articles in the  
market, and the composition of our  
powder is no secret, you can mix it  
yourself, or I sell it ready prepared  
for twenty-five cents per pound.

W. A. SANDERSON,  
Druggist, Richmond Hill
