New Machine.
 Mr. N. Sliney is bound to be at the front in the threshing business. A few days ago he purchased a new machine—The Standard—from the Dick Manufacturing Company, of Bolton, and it is said to be a daisy. The proprietor expects to start threshing in a few days.

The balance of Ladies' Straw Hats at 25c each. See 'em and you'll buy 'em. Atkinson & Switzer.

A Mayor Fined.
 A few days ago Mayor Bond, of Toronto Junction, was fined \$1 and costs for slapping a boy, who, it is said, had splashed water on the town's chief officer. Had the Mayor summoned the young offender before a magistrate the former would have been laughed at. For boxing his ears he was fined. It would seem that the only way to be safe is to allow the boys to do as they like, in other words to "run the town."

While there's life there's Soap. 15 bars Electric Soap at the Concrete this week for 25c. Atkinson & Switzer.

The Metropolitan R. R.
 The Empire, of Monday said that the Toronto Railway Company had signed an agreement to purchase the Metropolitan Electric Railway Company's property and charter. The next day, however, the report was contradicted, although it is said the Toronto Company are negotiating for this valuable suburban line which is now in operation to the top of York Mills hill. If the purchase is made it is to be hoped the line will be extended to Richmond Hill as speedily as possible.

A splendid assortment of Crockery and Glassware, close out prices, at the Fire Proof.

For Barrie.
 Arrangements are about completed for a Civic Holiday in Richmond Hill on Monday, the 6th of August, when it is expected that many of the citizens and surrounding residents will accompany the Firemen on an excursion to Barrie, where a Grand Demonstration and Firemen's tournament has been arranged for. Full particulars by posters in a day or two. The round trip from the village will be \$1.00; children, half price.

22 lbs Granulated Sugar and 30 lbs Yellow Sugar for \$1, at the Concrete House, just in the nick of time for the fruit season. Atkinson & Switzer.

Serenaded.
 The Richmond Hill Band drove to Thornhill on Friday evening, and serenaded Mr. and Mrs. R. Thompson who were married a couple of weeks ago. The musicians were cordially received, and were treated to an excellent supper. After some good music and a pleasant entertainment the Band returned home, after congratulating the newly-married couple, and wishing them long years of happiness and prosperity. Before leaving, Mr. Thompson insisted on the treasurer taking a generous gift for the funds of the Band.

The bottom out of the Print Market; light Prints at the Fire Proof at 3, 5, 6, 8 and 10c per yd.

We notice by the Evening News, of Tonawanda, N. Y., that Canadian talent is at a premium in that town. At an entertainment in connection with the Methodist church of that place, Miss Sadie Pearce, who is making a visit with Rev. and Mrs. W. A. V. E. Pattison, delighted the large audience with several recitations. The News refers to her in the following words: "Miss Sadie Pearce, of Markham, fairly delighted the audience. She is a genuine versatile entertainer, and all her selections gives strong proof of what the press in Canada says of her as being a first-class all around elocutionist." Mr. and Mrs. Pattison, were also complimented on a couple of duets which they sang at the same entertainment.

Forest City and Spa Baking Powder, regular price 50c, at 20c per lb tin. Atkinson & Switzer.

Garden Party at Unionville.
 "Merton Lodge," the residence of Mr. Jas Eckardt, was the scene of a very successful garden party on Thursday evening last, under the auspices of the Lutheran church. The spacious lawn, which is surrounded by cedar hedges and shady trees, was well seated and well lighted and looked very pretty indeed. The surroundings of this lovely spot are so conducive to comfort, happiness and enjoyment that it is little wonder the ladies are always anxious to select it for their annual social. The tea was far above the standard, the edibles of all kinds going to show that the ladies thoroughly understood the culinary department. Early in the evening an exhibition of rope walking was given across the lawn and later an exceptionally good programme was rendered by the Richmond Hill orchestra under the leadership of Mr. Herman Brown, of Victoria Square; Miss Nellie Crosby, Miss Eakin and others. The chair was ably filled by Mr. Douglas, a law student in Toronto, but formerly of Unionville. The pastor of the congregation, Rev. Mr. Bruch, gave an excellent address which was short, and most appropriate for a church gathering. Mr. Will D. Atkinson gave a vocal solo, with Miss Edith Switzer as accompanist, and being loudly encored, responded with another fine selection. The orchestra gave excellent satisfaction, and were highly complimented on their good music. Their instruments were 4 horns and cornets, 2 violins, a piccolo, and Miss H. H. Wiley played the accompaniments on the organ. The proceeds of the evening amounted to about \$100.

Teas, Sugars, Butter, Eggs and Lard, all of the very best quality at the very lowest prices, at the Fire Proof.
