A Reminder.

It will be remembered that a few months ago, notices were printed and distributed warning people against trespassing upon the grounds surrounding the Masonic Hall, as well as causing annoyance at public meetings and entertainments held in the hall. As the fall meetings are just commencing we write these lines as a gentle reminder to the boys. Every person should take THE LIBERAL, and every person should read it, therefore, if you get into trouble around the Masonic Hall, don't say you "didn't know it was loaded."
