Its directory and statistics are very complete, and it contains an excellent article from Dr. Bourinot on Parliamentary Procedure. ### Charged with House-Breaking.

Arthur McBride, recently discharged from the Central Prison, was on Monday morning arrested at Newton Brook by Constables Petch and Frisby, of Aurora, charged with breaking into the house of Joshua Oliver, 4th con. Whitechurch, on the previous day when the family were at church. Nothing was missed from the house but a few cents, a jack knife and a roasted chicken. The tracks made in the snow were proven to be similar to what would be made by McBride's boots. He was taken before Magistrate Lundy, of Aurora, and was sent down for trial.

### Maple.

Court Maple City, No. 370, I. O. F., will hold their regular semi-monthly meeting next Saturday evening, and it is expected that a large number of candidates will be initiated. Bro. K. Murdoch, P. D. H. C. R., of Toronto, who has been working in the neighborhood has had great success in his efforts to increase the membership of the Court. Arrangements are about completed for the annual banquet, and Bro. H. A. Collins, H. C. R. for Ontario, and some other prominent Foresters have promised to be present.

### Dr. Percival Resigns.

Rev. W. W. Percival, pastor of Richmond Hill and Thornhill congregations, has received a call from the Presbyterian church at Glenwood Springs, Colorado, and have asked the congregations here and also the Presbytery to accept his resignation. Glenwood Springs is the fashionable watering place of the west, and if the doctor does not long remain in that place we feel confident that his excellent ability as a pulpit speaker will soon gain for him one of the largest churches of that section of country. Many will regret his removal from this place.

### Died at 86.

Mrs. Johanna Hopkins, widow of the late David Hopkins, of this village, died at her late residence on Saturday last, at the ripe old age of 86 years. She had been ailing for some time previous, but her death was not expected until a very short time before the summons came. The funeral took place on Monday to the Oak Ridges cemetery, where deceased was buried by the side of her second husband, the late Frederick Page. A large number of relatives attended the burial, besides many friends and old acquaintances. A short service was held at the residence, also at the church, Rev. W. W. Bates M. A., officiating. The pallbearers were Messrs. John Brown, John Coulter, John Kennerley, John Hart, John Elliott and Matthew McNair.

### Have You a Vote.

The supplementary list of voters for polling sub-division No. 2, Markham, is posted up in the Post Office. The names of many well known electors are conspicuous by their absence. The Grits complain that 37 of their men have been omitted in the new list, as well as a number of Tories. Among those left off are James and Andrew Newton, Nicholas and David Tynet, George Robinson, David Boyle, Joshua and Edwin Sisley, William and Moses Vanderburg. Of course it may be contended that those who are left off may appeal to the judge to be placed on the list, but is it fair that men like the above should be required to lose a day and drive to the Court of Revision at Unionville in order to have a vote at the Dominion elections? Those who say the Franchise Act is an outrage on the people put the matter very mildly.

### Thanks, Bro Binns!

Bro. Binns, printer, Newmarket, is evidently not only disappointed but chagrined because his tender for the county printing was not accepted this year. At the November session he sent a communication to the County Council saying that he had purchased a quantity of type and sorts purposely for the job and as he did not get the work the type was of no use to him. Also that as he heard the printing of the minutes was not done in accordance with the contract, and as his was the next lowest tender, he asked for the balance of the printing. After listening to the communication the Council were good enough to submit the following resolution which was unanimously carried: "Moved by Mr. Pugsley, seconded by Mr. Evans, that the printing of the minutes of this Council for the year 1894 has been done in a thorough and workmanlike manner and is perfectly satisfactory to this Council." We might modestly remark that the county printing was done at THE LIBERAL office.

### Man and his Shoes

Why is a man so like his shoes? Because for instance both their soles may lose. Both have been tanned, both been made tight. By Cobblers; both get right and left; Both need a mate to be complete, And both are made to go on feet; They both need healing, oft are sold, And both in time will turn to mould; With shoes the last is first; With man the last shall be the first; When shoes wear out they're mended new. When men wear out they're men dead too; Both have their ties and both incline When polished in this world to shine; And both peg out— now would you choose To be a man or be his shoes?
