The Weekly Globe.

For 50 years The Weekly Globe of Toronto has had an enviable reputation as the one great Liberal weekly of the Dominion, It has always been a high class journal, and a welcome visitor in thousands of homes. It was never better as a newspaper than it is to-day. The Globe's enterprize is proverbial. Its correspondents have traversed and written almost every section of the country. All great events have been fully reported. The speeches of leading politicians, whether on the floor of Parliament or on the stump, have been presented as they were uttered, and all are fairly treated whether Liberal, Conservative or Patron. Among leading features of recent numbers may be mentioned speeches by Mr. Laurier, Sir John Thompson, Sir Richard Cartwright, Mr. Marter, Mr. Haycock, members of the Ontario Cabinet, and others: letters from members of the Globe's editorial staff who travelled through the Province of Quebec and over the route of Trent Valley Canal, interviews and letters on that most important question, the reform of the law system, long reports from the scene of the Jessie Keith murder, the McWherrel trial, and other sensational events. The aim of The Globe is to be trustworthy. The Globe has the best cable and telegraphic service obtainable; its foreign, American and Canadian despatches are the unexcelled, and every week the whole world is brought under review. The agricultural department is right up to the times; the crop and market reports are full and reliable. Reasonable space is given up each week to lighter reading, and good stories is one of The Gobe's attractions. Another popular frature are the weekly contributions from the Khan's poetical pen. As a family newspaper The Weekly Globe is nurrvalled. We trust our readers will bear in mind that this excellent Weekly is now being clubbed with THE LIB-ERAL, both papers being given for \$1.35
