MR. FOSTER'S SAFE SEAT.

If the facts in reference to the \$300,000 loaned by the Dominion Government to the Fredericton and St. Mary's Bridge Company are as stated by our Ottawa correspondent on another page, it is little wonder that Minister Foster has decided not to again contest his present constituency, but to accept the nomination for York, N. B., where so much money has been spent by the government. He, no doubt, feels secure in York, where he has stood by the electors even at the sacrifice of the interests of every other taxpayer outside of that constituency. Mr. Foster's constituency, with a population of about \$30,000, may applaud what has been done, but it must be remembered there are over two hundred constituencies in Canada, with a population according to the last census of 4,833,239, the greater part of whom to not wish to see money squandered in the way referred to. It would be difficult to find a more glaring misappropriation of your hard-earned wages, that are bled out of you by the demands of the treasury department, than the case in point. The Minister of Finance goes to England to borrow money upon which you are paying interest and when the interest you are to receive on the loan falls due, and with which you are to pay the interest due by you in England, the party owing the interest is for years permitted to default. The county that has been so leniently dealt with by the Minister of Finance is the very county he is now asking to elect him to parliament.

If he had given them the money outright the people would have known where they stood. But that would not do, for once the money was paid over there would be no interest account to hold over the electors of York. Our correspondent has gone into detail, has given day and date in support of all he has said, and we would like to see what defence government will have to offer in rebuttal. Will Mr. Foster state that when parliament voted a loan of \$300,000 to the Fredericton and St. Mary's Bridge Company in 1887, it was not on the distinct understanding that the interest at 4 per cent. would be collected annually? Will Mr. Foster state that the taxpayers of Canada are not paying a 3 1/2 per cent. interest per annum on the loan of \$300,000 to the Fredericton and St. Mary's Bridge Company for which no interest is being received? Will Mr. Foster state that the Auditor-General has not repeatedly drawn his attention to this defalcation of interest by the F. & St. M. Bridge Company, and urged him in the public interests to take some action? Will Mr. Foster state that he has collected one dollar of interest from the F. & St. M. Bridge Company during the past five years? Will Mr. Foster state that Alexander Gibson, whom government newspapers are now stating will support him in York, was not a charter member of the F. & St. M. Bridge Company?

And this is the man, the same Minister of Finance, who asked at Sherbrooke:—"What manner of men and what kind of policy is to be substituted for the men and the policy of to-day."

Maple

At a meeting of the Maple Mechanics' Institute on Friday evening of last week, the following officers were elected: President, J. T. Saigeon; Vice President, L. Richardson; Secretary and Treasurer, E. H. Elliott; Librarian, R. S. Thompson. A committee was also appointed to provide for an entertainment to take place about the middle of this month.

Last Thursday evening a party of

young people from York drove up to Mr. W. Jackson's and had a very pleasant time.

Mr. R. S. Thompson is making improvements in his store and intends to have everything as convenient as possible.

Promotion examinations are to be held in the public school here on Friday next. Last Friday evening Mrs. H. Liers gave a party at her home. Most of the guests were from the 2nd concession.

Rev. H. Ross, of Manitoba, is spending a few weeks with Rev. C. A. Campbell at the Manse.

Received & Acknowledged.

Mrs. J. A. E. Switzer, received, a few days ago, the following letter acknowledging with thanks the receipt of a number of quilts forwarded by the Women's Missionary Auxiliary of this village.

COLLEGIATE INSTITUTE, CHILLIWACK, B.C. Feb'y 15, '95
DEAR MRS SWITZER.—The quilts from Richmond Hill auxiliary arrived Jan. 17. Kindly accept our thanks for the same. The quilts sent by the different societies, have proved a source of great comfort to us in the Institute, where so much bedding is needed. In looking at the "Report," I see that you are not a large auxiliary, so I think you have done remarkably well to send so many nice quilts. There is always so much work patching and quilting.

I wrote a letter for the March "Leaflet," so you will see what I would otherwise write to you personally.

Praying that God may bless and keep you, I remain,

Yours very sincerely,
M. L. CLARKE.
