Discussion Invited.

Now that it has been proposed to establish a Free Reading Room in connection with the Mechanics' Institute, in the near future, would it not be well to have the question thoroughly discussed through the columns of THE LIBERAL. Nearly every person in the village is free to admit that such a place is desirable, yet there are some who have their doubts as to its being well patronized. We should be pleased to hear the pros and cons.

"April Fool"

His Honor, Judge Morgan, gave the Division Court here a genuine April Fool on Monday last by not putting in an appearance, much to the disappointment of many who were directly or indirectly interested in some of the cases that were to have come up for hearing. Mr. Lawrence went to the telephone and learned that he had just returned from Sutton and was unable to be at Richmond Hill. The adjourned court will be held on Saturday, the 13th of April.

"A thing of beauty is a joy forever." Do not miss it! but go and inspect the beautiful Pattern Hats and Bonnets at the Concrete.

Free to Subscribers.

In the Art Buildings at the great World's Fair there hung a well known, beautiful picture of the Governor-General's two sons, the Hon. Dudley and the Hon. Archie Gordon, dressed in the fancy costume of two little Paddies who had been amusing themselves playing at digging potatoes, whilst their father sat at his dinner, and who now rested exultingly on a wheelbarrowful of the "tatoes." THE LIBERAL was much pleased a few days ago to let by mail a beautiful chromolithograph of this picture. Subscribers to "Wee Willie Winkie," 50 cents a year, edited by Lady Marjorie Gordon, get this picture free as long as they last. Address Government House, Ottawa.

Beautiful Millinery Display this week at the Concrete. Every lady in Richmond Hill and vicinity should inspect it.

Hospital for Sick Children.

We come again to the readers of THE LIBERAL with a plea for the little sufferers in this praiseworthy institution. For some years past, the children in the Hospital have been made glad, and a gleam of brightness thrown into their Easter Day by the offerings sent from kind friends in this village and vicinity. We hope for a continuance of the kind and generous liberality which has made this offering so successful in the past. We ask in His name, who has said: "Inasmuch as ye have done it unto one of the least of these, ye have done it unto Me." Donations of fruit, jelly, eggs, books, toys, clothing, etc., etc., will be thankfully received at THE LIBERAL Office on Good Friday morning. These will be carefully packed and taken to the Hospital on Saturday.

The Weekly Globe will be sent to any address in Canada from now until the close of the session of the Dominion Parliament for 15 cents. The Daily Globe (morning edition) will be sent during the same time for \$1.00. Parliament convenes on the 18th of April. Those who think of ordering should do so at once.

Epworth League.

The "At Home" given by the above society last Friday evening last was well attended, and the committee of arrangement feel very much gratified at the success of their effort. The following excellent programme was rendered: trombone solo, Mr. A. Shier, who responded to a hearty encore by playing another selection. A reading, "Little Flo," by Mr. Wm. Harrison, was greatly liked by the audience, as was also another reading by the same gentleman, entitled "Glory Hallelujah Jones." A duet by Miss Ethel Switzer and Mr. E. Mason—"The Pilot"—was excellently rendered and warmly received. Miss H. H. Wiley also contributed a very fine solo. Mr. A. S. Savage delighted his bearers with his baritone solo, "Guide Me." Mrs. Mason, Mrs. Switzer and Miss M. Trench also took part in a very effective trio, entitled "Adown the Wavering Billows," which was much enjoyed. Mr. R. W. Glass commenced a cornet solo, but unfortunately was suddenly taken ill and had to stop, much to the regret of those present, who were thereby deprived of what promised to be a rare treat. After the programme, coffee and cake were handed round, and after enjoying one hour's social intercourse, the audience dispersed feeling well pleased with the evening's entertainment. The proceeds amounted to about eight dollars.

## School Board Meeting.

Trustees Glass, Switzer, Trench, McConaghy, Naughton, Storey, and Newton were present at the School Board meeting on Monday. The only question which brought about a discussion was in reference to the advisability of holding promotion exams in the Public Schools at Easter. Mr. Kirkpatrick, the Principal, explained that on account of the prevalence of the measles at Christmas, the usual promotion examinations were not held. He thought, however, that the promotions had not better be made until the close of the term, as to promote now would disarrange the classes. Mr. Naughton favored an examination at Easter, as none had been held since before mid-summer. It was finally decided on motion of Mr. Newton, seconded by Mr. McConaghy, that the promotion exams be postponed until next mid-summer.

We have a most complete Dress Trimming Department and our Linings, Canvas, Haircloth, Fibre Cusoids, Braids, etc., etc., are in demand by all up-to-date people. Atkinson & Switzer.

## Good Little Books.

Under the title, "Will the Old Book Stand," "Christianity and Science," "The Mystery Solved," and "Fourteen Nuts for Skeptics to Crack," Mr. H. L. Hastings, No. 47 Cornhill, Boston, Mass., meets objections raised by skeptics against the Bible and Christianity, and meets them admirably. The four little pamphlets are excellent reading—excellent with respect both to matter and to style. Each of the performances has been written by a man who knew his subject, and, of course, how to defend it against pretended scientific, moral, or historical difficulties. The Bible is shown to be in accord with science (not false science), ethics, and history. We have risen from perusal of these brochures reassured that the faith has nothing to fear from geology, history, or moral philosophy, as indeed now could it, seeing that the Bible, nature, and the moral law are the work of the only living and true God. We heartily commend the publications of Mr. Hastings to those who enjoy a good polemic enlisted in the most worthy of all employments—the defence of the sacred truth.
