

A CARLETON CO. MIRACLE.

Back to Health After Years of Extreme Suffering.

Yielded to the Advice of a Friend and Obtained Results Three Doctors Had Failed to Secure.

From the Ottawa Journal.

Mr. George Argue is one of the best known farmers in the vicinity of North Gower. He has passed through an experience as painful as it is remarkable, and his story as told a reporter will perhaps be of value to others. "I was born in the county of Carleton," said Mr. Argue, "and have lived all my life within twenty miles of the city of Ottawa. Ten years of that time have been years of pain and misery almost beyond endurance. Eleven years ago I contracted a cold which resulted in pleurisy and inflammation of the lungs. Other complications then followed and I was confined to my room for five years. The doctor who attended me through that long illness said that the reason I was unable to move about was due to the contracting

I COULD HOBBLE AROUND ON CRUTCHES.

of the muscles and nerves of my hands and feet through long confinement to bed. I could hobble around a little on crutches, but was well nigh helpless. At this stage a second doctor was called in who declared my trouble was spinal complaint. Notwithstanding medical advice and treatment I was sinking lower and lower, and was regarded as incurable. I was now in such a state that I was unable to leave my bed, but determined to find a cure if possible, and sent for one of the most able physicians in Ottawa. I was under his care and treatment for three years. He blistered my back every three or four weeks and exerted all his skill, but in vain. I was growing weaker and weaker and began to think the end could not be far off. At this juncture a friend strongly urged me to try Dr. Williams' Pink Pills. I yielded to his solicitations, and by the time six boxes of pills were used I found myself getting better. I used in all thirty boxes, and they have accomplished what ten years of treatment under the physicians failed to do. Thanks to this wonderful medicine, I am able to attend to my duties and am as free from disease as any man in ordinary health is expected to be. I still use Dr. Williams' Pink Pills, and they are the medicine for me, and so long as I live I shall use no other. If I had got these pills ten years ago I am satisfied I would not have suffered as I did, and would have saved some hundreds of dollars doctor bills. It is only those who have passed through such a terrible siege as I have done who can fully realize the wonderful merit of Dr. Williams' Pink Pills.

Mr. Argue's experience should convince even the most skeptical that Dr. Williams' Pink Pills stand far in advance of other medicines and are one of the greatest discoveries of the age. There is no disease due to a poor or watery blood or shattered nerves which will not speedily yield to this treatment and in innumerable cases patients have been restored to health and strength after physicians had pronounced the dreaded word "incurable." Sold by all dealers in medicine or sent by mail post paid, at 50 cents a box or six boxes for \$2.50 by addressing the Dr. Williams Medicine Co., Brockville, Ont., or Schenectady, N. Y. THE STATE BALL.

The Brilliant Function at Buckingham Palace—A Wonderful Display of Gold Plate.

A despatch from London says:—The State ball at Buckingham palace on Thursday last was the most brilliant affair of the kind in years past. The great majority of the gentlemen wore showy uniforms, their breasts covered with glittering orders, while the ladies in their charming dresses and jewels formed a pretty contrast to the picturesque Afghans of the suite of Nazrullah Khan, whose gorgeous Eastern robes added additional lustre to the scene. There was a wonderful display of gold-plate in the supper-room. Many of the richest and heaviest pieces were fixed as ornaments to the walls, while the tables and the magnificent buffet were covered with some of the most valuable and highly prized specimens of the goldsmith's art. Besides this remarkable display of goldware there were several Oriental show pieces, which were displayed in honour of the Afghan Prince. Among them was a peacock composed of precious stones, and valued at \$150,000. Two thousand invitations were issued for the State ball, and it is safe to say that more than that number of people were present. The representatives of the Royal family entered the ball room at 11 p. m., in a procession headed by the Princess of Wales and the Duchess of Saxe-Coburg-Gotha, the great officers of State, with their wands of office, walking backward before the head of the procession. Directly after the members of the Royal family were seated dancing began.

Sunstruck, Then Frozen.

The changeableness of weather in Minnesota is something remarkable. Last week, while the mercury was up near the boiling point, a man in Goodhue County, Minn., was sunstruck. He fell to the ground, unable to get up again, and, as nobody saw him, he remained there. Then the cold wave came along and he froze to death.

Bird's Tongues.

Some fresh information about the tongues of birds has recently been gathered by a German naturalist. Many people suppose that woodpeckers use their sharp-pointed tongues as darts with which to transfuse their prey. It is true that the woodpecker, like the humming-bird, can dart out its tongue with astonishing rapidity, and that its mouth is furnished with an elaborate mechanism for this purpose; yet investigation shows that the object of this swift motion is only to catch the prey, not to pierce it. For the purpose of holding the captured victim, the woodpecker's tongue is furnished with a sticky secretion.

Considering its powers of imitating speech, it is not surprising to learn that the parrot's tongue resembles that of a man more closely than any other bird's tongue does.

It is not because the parrot is more intelligent than many other birds, but because its tongue is better suited for articulation than theirs, that it is able to amuse us with its mimicry.

The humming-bird's tongue is, in some respects, the most remarkable of all. It is double nearly from end to end, so that the little bird is able to grasp its insect prey with its tongue, very much as if its mouth were furnished with a pair of fingers.

A Piece of Her Mind.

A lady correspondent has this to say: "I want to give a piece of my mind to a certain class who object to advertising, when it costs them anything—this won't cost them a cent.

"I suffered a living death for nearly two years with headaches, backache, in pain standing or walking, was being literally dragged out of existence, my misery increased by drugging.

"At last, in despair, I committed the sin of trying an advertised medicine, Dr. Pierce's Favorite Prescription, and it restored me to the blessedness of sound health. I honor the physician who when he knows he can cure, has the moral courage to advertise the fact."

The medicine mentioned cures all the delicate diseases peculiar to females, as "Female Weakness," periodical pains, irregularities, nervous prostration, spasms, chorea or St. Vitus's Dance, sleeplessness, threatened insanity.

To permanently cure constipation, biliousness, indigestion of dyspepsia, use Dr. Pierce's Pleasant Pellets.

"I AM A CURED MAN."

Kidney Disease Vanquished by South American Kidney Cure—The Remedy Which Relieves in Six Hours.

Adam Soper, Burk's Falls, Ont.: "I suffered much pain for months from kidney and bladder disease. I received skilled medical treatment and tried all kinds of medicines to no purpose; in fact, I did not obtain any relief until south American Kidney Cure was used. It seemed to fit my case exactly, giving me immediate relief. I have now used six bottles and can say positively that I am a cured man. I believe one bottle of the remedy will convince anyone of its great worth."

Charlatans and Quacks

Have long plied their vocation on the suffering pedals of the people. The knife has pared to the quick; caustic applications have tormented the victim of corns until the conviction shaped itself—there's no cure. For 18 Months Unable to Lie Down in Bed—A Toronto Junction Citizen's Awful Experience With Heart Disease.

L. J. Law, Toronto Junction, Ont.: "I consider it my duty to give to the public my experience with Dr. Agnew's Cure for the Heart. I have been sorely troubled with heart disease and unable to lie down in bed for eighteen months owing to smothering spells and palpitation. Each night I would have to be propped up by pillows in order to keep from smothering. After treating with several medical men without benefit, I procured a bottle of the Heart Cure. After taking the first dose I retired and slept soundly until morning. I used one bottle and have not taken any of the remedy for seven weeks, but the heart trouble has not reappeared. I consider it the grandest remedy in existence for heart disease."

I Was Cured of Rheumatism in Twenty Four Hours.

I, George English, shipbuilder, have lived in Chatham, N. S., over forty years. Last spring I took severe pains in my knee, which, combined with swelling, laid me up for six weeks, during which time I endured great suffering. I saw South American Rheumatic Cure advertised in the Chatham World and procured a bottle. Within twenty-four hours I was absolutely free from rheumatism, and have not been troubled with it since.
