THE PERFECT TEA

East, Toronto.

FROM THE TEA PLANT TO THE TEA CUP IN ITS NATIVE PURITY.

"Monsoon" Tea is packed under the supervision of the Tea growers, and is advertised and sold by them s a sample of the best qualities of Indian and Ceylon Teas. For that reason they see that none but the very fresh leaves go into Monsoon packages.

That is why "Monsoon,' the perfect Tea, can be sold at the same price as inferior tea. It is put up in sealed caddies of 1/2 lb., 1 lb. and 5 ibs , and sold in three flavours at 40c., 50c, and 60c. If your grocer does not keep it, tell him to write to STEEL, HAYTER & CO., 11 and 13 Front St.

A Harrowing Tale.

It would indeed be harrowing to the farmer or gardener it, after plowing his ground, he had no harrow wherewith to break up the earth. To avoid the harrowing of feelings, for the lack of harrows for the ground, the proprietors of the Hole in the Wall, 1671 King Street East, will give away free, a set of harrows, also a plow, a scythe and a fork and other agricultural and garden implements, so it you have a garden, or are cultivating ground, just go down to the Hole in the Wall and find out all about the useful things to be given away there.
