—OF—  
**Farm Property,**  
Near Kildinburg, in Vaughan.

Pursuant to a judgment of the Chancery Division of the High Court of Justice in a certain matter of the title of the said farm in the township of Vaughan, in the County of York, Smith v. Smith, and with the approval of the Master in Ordinary, there will be offered for sale at public auction by John K. McEwen, at Gillis' Hotel, in the village of

**KLEINBURG,**

in the said township of Vaughan, at the hour of 2 o'clock in the afternoon, on

**Thursday, August 1st, 1895,**

The following property in one parcel and subject to a reserved bid, viz, the said lot No. 23, in the 8th concession of the township of Vaughan, containing two hundred acres, more or less. On this property are erected a brick house and two large barns with stables and driving-shed. The said farm is situated immediately south of and adjoining the village of Kleinburg, and is about a mile from the Kleinburg Station on the C. P. R. Railway, and five miles from Woodbridge. The farm is fairly fenced and has on it an orchard of one and a half acres. The rest of the farm consists of bush and pasture lands. The lot is well watered, the two branches of the River Humber flow through it; there are also three wells. The soil is a good clay loam.

**TERMS OF SALE:—**Ten per cent. of the purchase money is to be paid at the time of sale to the plaintiff's solicitors, and the balance within thirty days thereafter without interest, into court, to the credit of this matter. The farm at present is occupied by a tenant who is to allow any incoming purchaser to put in fifteen acres of fall wheat this coming season, and to protect the same from damage by cattle trespassing thereon. Any incoming purchaser is to be entitled to plough the land after harvest of this year, and is to have stabling for two horses, and a room for one man. Unless otherwise arranged the incoming purchaser is to be entitled to full possession on the 20th day of March, 1896.

The other terms and conditions of sale are the standing conditions of court. For further particulars and information of sale apply to  
Mowat Langton, Mowat & MacLennan,

**A Harrowing Tale.**

It would indeed be harrowing to the farmer or gardener if, after plowing his ground, he had no harrow wherewith to break up the earth. To avoid the harrowing of feelings, for the lack of harrows for the ground, the proprietors of the Hole in the Wall, 167 1/2 King Street East, will give away free, a set of harrows, also a plow, a scythe and a fork and other agricultural and garden implements, so if you have a garden, or are cultivating ground, just go down to the Hole in the Wall and find out all about the useful things to be given away there.
