A meeting of representatives of the various municipalities opposed to the York roads being assumed by the local municipalities, will be held at the Clyde hotel, Toronto, on Monday next, the 26th inst., commencing at 10.30 a.m. It is to be hoped that the question of York roads maintenance will be thoroughly discussed, as many people interested in good roads feel that Yonge street will never be kept in proper condition if it has to be taken care of by the local municipalities.

Presentation

Last evening the members and friends of the Presbyterian congregation met at the church and spent a social time together. During the evening the teachers of the Sabbath school, and the bible-class, presented Mr. A. E. Died at go

Mr. James Hennesey, for many years a citizen of this place, died on Saturday morning at the ripe age of 99 years. The funeral took place from his late residence on Monday morning at 9 o'clock, when service was held in St. Mary's (R.C.) church. The pastor, Rev. P. McMahon, briefly referred to the kindly disposition of the departed, saying that he had made preparation for the change, and made his peace with his God, after which the speaker preached a very impressive sermon on the subject "Death," stating that to die well it is necessary to live well. A large concourse of people afterwards followed the remains to Thornhill cemetery for interment.

Church to be Sold.

On September 7th the Reformed Presbyterian church, at 28 and 30 Carlton street, Toronto, will be sold, the trustees, Messrs. Cassels, Cassels and Brock, believing this step to be in the interest of the church, as it is somewhat in debt. This church, which claims to use the only true Presbyterian form of worship, viz., the Psalms of David in lieu of hymnal music, succeeded from the larger body several years ago. The pulpit has been occupied for the past year by the Rev. Robert Hume. The sale will be by public auction and subject to an \$8,100 mortgage held by a local trust company.

Ough and Towns & Co., and of implements, J. Fleury's Sons, who had a large quantity of manufactured goods stored ready for fall shipment. It is supposed to be a case of incendiarism. Complimentary Reference.

Geo. Glover is evidently classed among the heavy weight lacrosse players of this province. Since the club disbanded here some time ago he has played with Newmarket, who are now champions of the Midland district. The Sun last week referred to his brilliant play in the championship match between Markham and Newmarket as follows:—"Glover, of Richmond Hill, did excellent work, being at all times in the right place, and the Newmarket cry of 'Get it Glover!' showed the dependence put in the Richmond Hill man by the visitors." But to know that Glover is a good man, it is necessary to see him play, because you would not find out by talking to him.

The Quick Shine Shoe Blacking is selling fast; 2 boxes for 5c. at the Concrete.

In Saturday's Storm.

Monday's dailies give an account of a terrific storm which swept over Rondeau harbor, a few miles from Chatham, on Saturday afternoon. There are about twenty cottages at this summer resort, and there were before the storm about fifty family tents nearly all occupied. Only two of the tents stood the storm, while several of the cottages were almost demolished. Mr. and Mrs. J. Brackin and family, formerly of this place, were among those who suffered from the storm. Mr. Brackin, who is principal of one of the Chatham schools, has three large tents, every one of which was swept into the sea. While the family were fleeing for shelter a brick chimney was blown off, and some of the debris was hurled on Mrs. Brackin, who narrowly escaped with her life. A score of persons were more or less hurt, but, fortunately, no one was fatally injured.

We are showing now better value in Cottonade Shirts and Tweeds than we ever did. Atkinson & Switzer.

Private Picnic.

On Monday last (being Toronto's Civic Holiday) the Misses Ellston entertained a number of their friends to a private picnic which was held at Bond's Lake. Games, dancing, boating and other amusements were indulged in, after which refreshments were served, and it is needless to say ample justice was done to the tempting viands which were prepared for them. Towards evening the jolly party wended their way homeward, having spent a very enjoyable afternoon. On arriving home they repaired to their spacious ball room, where a most enjoyable concert was held. Among those who took part were: Miss Dawson, Mr. F. W. H. Coles, and Mr. G. McRae, who deserve great credit for the excellent way in which they entertained the party with their songs. During the evening Mr. H. B. McCleary, Mr. L. E. Moyer and Miss A. Ellston gave a very laughable farse entitled "The German Princess." The evening was brought to a close by an impromptu dance. The young ladies are to be congratulated on the excellent way in which they entertained their guests.

On Sunday, at 10.30 a.m., a sermon will be delivered by Rev. R. B. Starks, of the Pittsburg Synod, Pa. Mr. Starks will also, in the evening at 7 o'clock, give an address, subject, "What I saw and heard at the great Boston C. E. Convention." Hon. N. O. Wallace, M. P., is expected to preside. Tea served on Monday from 4 to 8 p.m. Entertainment to commence at 8. Tickets, adults, 25 cents; children 15 cents. No pains will be spared to make this event both interesting and profitable. A cordial invitation is extended to all.

Races at Woodbridge.

The annual races and games of the Woodbridge Driving Park Association was held in the driving park, Woodbridge, on Monday, the 19th inst. A very fair crowd was present to witness the sports. In the football competition four teams entered. First, Pine Grove faced the Athletics, of Toronto, when the former were victorious. Then the Thistles, of Toronto, succumbed to Nobleton, after which the two victorious teams played off, when Pine Grove won the prize, which was a dozen silk handkerchiefs. The mile bicycle race, best two in three, was won by Wm. Rose, Fred Smith taking second prize. The horse trotting resulted as follows:

2.50 trot.—1, J. Palmer's Lorena; 2, E. Jackson's Bella J.; 3, Binsett's Wide-Awake. Best time 2.49.

Free-for-all trot.—1, A. Proctor's Dick French; 2, S. Kaiser's Fred O.; 3, C. Stone's Henry C. Best time 2.30.

September Delineator.

In the September number of the Delineator the display of fashions for the coming season is exceptionally large, and the styles are handsome enough to suit the most exacting taste. The issue is also notable for the variety and quality of the reading matter. Mrs. Pryor's articles on the Social Code continue, and this month the Debutante is considered in a most interesting way; Amy Rayson, a famous graduate of Girton College, writes of a girl's life there and at Newham, the two best known English Colleges for women; Edith M. Thomas, in connection with Dr. S. R. Elliott, talks of woman as a writer, and Mary Schenck Woolman practically treats of plain needlework as an employment; Mrs. Sara Miller Kirby continues her valuable series on kindergarten work, and Harriet Keith Forbes gives further instructions in burnt decorations. The household departments are well represented in the choosing and preparation of meats, reasonable cookery, the housekeeper, and preservation and renovation. Instruction and entertainment are provided in around the tea-table, and some novel amusements, and the newest books are reviewed. In knitting, netting, tatting and crocheting new designs are illustrated, with descriptions for making.

Coligny College, Ottawa.

This well known Young Ladies' College takes high rank among the educational institutions of the country. The teaching staff embraces specialists in their several departments, who have had successful experience in their profession, and who are ladies of culture and refinement. The building occupies a most eligible site in the capital of the Dominion, and is admirably adapted for educational purposes. It is spacious, with large, airy class rooms and bed rooms; all beautifully furnished, lighted by gas, heated by the most approved system of hot water apparatus, and supplied with every modern appliance fitted to secure the health and comfort of the students, including hot and cold water bath. There is accommodation for about sixty resident pupils, but the number is strictly limited in order that special individual attention may be given to each. Not more than two students occupy the same bed room, and several of the rooms are single. The dining hall is a large, sunny room, and the table is of superior quality. The assembly hall seats comfortably about four hundred persons. It is used for concerts and other social entertainments of the pupils. The library for the use of the students contains many valuable works of reference, and the reading room is supplied with the leading periodicals and papers. The grounds, extending to several acres, are beautifully laid out, and are utilized for lawn tennis and other outdoor healthful games. The home life of the college is a very happy one. Parents desiring for their daughters a thorough education in a refined Christian home, can with confidence send them to Coligny College, Ottawa. As will be seen by advertisement, applications for admission should be addressed to Rev. Dr. Warden, Box 1160, Post Office, Montreal, from whom circulars may be obtained. The number of boarders is rapidly filling up for next session, so that early application should be made by those desiring admission. Several were disappointed last fall because of their applications being sent too late. (a)
