### A Harrowing Tale.

It would indeed be harrowing to the farmer or gardener if, after plowing his ground, he had no harrow wherewith to break up the earth. To avoid the harrowing of feelings, for the lack of harrows for the ground, the proprietors of the Hole in the Wall, 167½ King Street East, will give away free, a set of harrows, also a plow, a scythe and a fork and other agricultural and garden implements, so if you have a garden, or are cultivating ground, just go down to the Hole in the Wall and find out all about the useful things to be given away there.
