HERB TEA.

THE NATURAL MEDICINE.

A very careful research and study of the Herbs, Flowers, Roots, Seeds, &c., to be found in various parts of America and Europe, has resulted in the discovery of a combination which will in future be known as HOME HEALTH HERB TEA, and which should be kept in every household.

It possesses remarkable properties: the Herbs, Roots, Barks, Seeds, &c., entering into its combination are of such a character that results hitherto unattainable are now within the reach of anyone who possesses a package of this wonderful medicine.

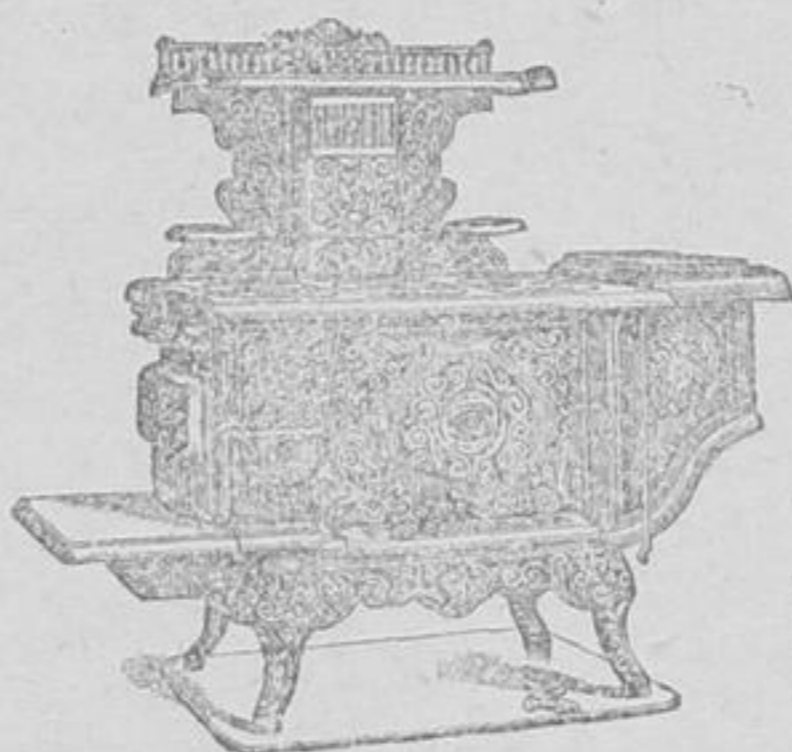

Everything used in its manufacture is carefully selected under personal supervision.

It quickly cures Constipation, Dyspepsia, Liver and Kidney troubles, Biliousness, Sick Headache, Purifies the Blood, and Clears the Complexion. It is as pleasant as a cup of tea, and as easily prepared. For sale by all druggists and dealers. Price 25 cents a package. If not conveniently procurable it will be sent, postage free, on receipt of price, by addressing THE HOME-HEALTH REMEDY CO., TORONTO.
