A Word of Kindness.

Brown, of Victoria Square, that in view of the removal from among us through the arrangements of Conference, of the Rev. John Vickery, to other fields of labor, we, as members of the Quarterly Official Board of the Richmond Hill circuit, desire to express our appreciation of our pastor's labor among us as a minister in the pulpit, leader of the prayer circle, and as an active member of the Epworth League, and that this board cordially recommends him to the Official Board of any circuit wherever in the Providence of God his lot may be cast.

An Exciting Ride.

Lloyd, the youngest son of Mr. D. Hill, scarcely three years old, had an experience on Saturday last which, apparently, was enjoyed by the little fellow more than by his parents. Mr. Hill left a team of horses hitched to the bake wagon at the door of his bakery and took a walk with a friend down into the garden. While he was gone, his little son, who is passionately fond of driving horses, climbed into the wagon and picked up the lines. This started the team, which went through the gateway, turned west, then north up Yonge street and started to run at a lively pace. The horses ran to the Elgin Mills, turned west, and were caught near the tannery by Mr. John Clift, with considerable risk to the latter. Fortunately no damage was done. When the horses were stopped the little jockey stood by the dashboard, whip in hand, his little face beaming with pleasure after his fast ride. The father quickly followed with another horse, and was pleased to find that his little son was unhurt. The only loss was a few loaves of bread which tumbled out of the wagon.

Switzer, that, whereas Providence in His inscrutable wisdom has been pleased to remove from among us our esteemed brother, Wm. Trench, be it therefore resolved: that we, as members of the Quarterly Board of the Richmond Hill Circuit of the Methodist church, desire to express our sorrow for the loss we have recently sustained in the decease of Bro. Wm. Trench, who had been for so many years an active member of this board, and that we also desire to convey our sympathy and condolence to the members of the family bereaved commending them to the care of Him who has promised to be a Father to the fatherless and the widow's God.

Expressions of Sympathy.

The members of the Woman's Missionary Auxiliary desire to convey their heartfelt sympathy to Sister Trench and family in the sad and irreparable loss they have recently sustained by the death of a loving husband and affectionate father. God, who has called His servant to his rest and reward, has also promised to be "a Husband to the widow and a Father to the fatherless." He only, can comfort and cheer in their great bereavement, till they meet again their loved one in that land where "sorrow, sickness, pain, and death are felt and feared no more." By his death, the church has lost a pillar, the village an enterprising citizen, and his home much of its sunshine; and many will miss his genial friendship and liberal hospitality. He has passed within the vale to be "forever with the Lord." Ours is the loss, but his the eternal gain.

Arbor Day.

Arbor Day was fittingly observed by the public school teachers and pupils of the village on Friday last, the 1st of May, in accordance with the suggestions from the Education Department. In the forenoon the play ground was neatly cleaned by a contingent of the boys, the girls under the instruction of the teachers, beautifully adorned the principal's room with suitable pictures, mottoes, and potted plants, and a number of shade trees were planted, among them being an oak (representing the British Empire), a maple (the emblem of Canada) and several others. In the afternoon an interesting entertainment was given by the pupils of the three departments. A large number of visitors were present, and all appeared to enjoy the programme presented which was both lively and patriotic. Rev. J. A. Grant made a happy speech in which he congratulated both teachers and pupils on the day's success, as well as upon the general good feeling in the school. Congratulatory remarks were also made by Dr. Hutchison and T. F. McMahon. At the close Mr. Kirkpatrick, the principal, thanked all the friends who had kindly loaned their pictures and flowers for decorating the school room. The following is the programme given by the children, Master Harold Proctor, acting as chairman: Chairman's Address.
