#### QUEEN'S BIRTH-DAY AT ESECTIVONED REILL.

Spring Fair a Success.

There was a very good attendance at the Annual Spring Fair of the Richmond Hill & Yonge Street Agricultural Society on Monday, but it is safe to say that had it not been for the rain in the morning, and the threatening appearance of the clouds the greater part of the day, the number of visitors would have been larger than on any former occasion. There was not much rain, however, in the forenoon and the sunny breezes soon dried the park making it vecy pleasant for those who were not afraid to risk a ducking. The football competition was to have Richmond Hill Office open every commenced sharp at 10 o'clock, but as some of the teams were delayed by showers, play did not start until after 1) o'clock. After about two hours' play King City defeated Richmond Hill by 2 goals to 1, then Ellesmere won from Dairy Royals, and finally Ellesmere de feated King City, thus winning the \$15 cash prize. In the junior competition the Richmond Hill light weights won the \$5.50 from the York Mills team. Mr. A.E. Coombs refereed the matches giving good satisfaction and proving himself master of the situation. Besides the horse-racing in the afternoon there were foot races and bicycle races, and altogether there was a capital day's sport. Professors Karn and Bondo gave an exhibition of juggling, etc., on a raised platform, but the wind being against them some of the feats were not a complete success. The village band played a lengthy programme of fine selections, making it very pleasant for lovers of

good music. Among the exhibits was a fine display of rigs from Trench's Carriage Works. consisting of the following: -1 Stanhope Phaeton, 1 Buffalo Road Waggon, Road Waggon, 3 Carts, 1 Wholesale Butcher's Waggen, 3 Platform Spring Farm Waggons, 1 Lumber Waggon. Mr. W. Mager showed a grain chopper, and a mill for taking wild oats out of grain attracted a good deal of attention. The inventor of this simple contrivance is Mr. James Coltham, of Aurora, and many of the farmers pronounced it a complete

by Messrs L L. Hartman, W.H.Clubine, consisted 10 cows all of which were dehorned.

Mr. Geo. McDonald's display of harness was very creditable, and Siver's boots and shoes were very attractive. The exhibition of grain and roots was Licensea Auctioneers for the Counties of York | also very good.
