This year we have the best aggregation of lacrosse players the Hill has had since the glorious days of the Young Canadians. The Pink Tea.

According to announcement the Epworth League gave its last entertainment for the season on Friday evening. It was a unique affair in many respects. The school room was tastily decorated with pink tissue paper, pink flowers and pink drapings. The pink lamps through their pink shades cast a pink light. The pink ties of many of the gentlemen harmonized with the surroundings; and pink icing on the cakes and pink ice cream made all agree that the refreshments were tastily appropriate. The programme was excellent throughout, and was contributed by local talent, with the exception of two numbers and an encore which were given by Rev. H. S. Magee, of Toronto. This gentleman sang in a very pleasing manner to his own banjo accompaniment. Miss Mary Trench, Mr. A. J. Hume and Mr. E. Mason also won loud applause by their songs, and the instrumentals of Miss E. Switzer and Mr. R. Glass received equal demonstrations of approval. As this was the last public meeting of the League, the president, Mr. Hume, called attention to the fact that our ministers must soon leave for new fields. He then asked Mr. Coombs to step forward and on behalf of the League to express the regret felt at their departure. Mr. Coombs spoke of the zeal of the ministers in League work and expressed the appreciation of the League at the hearty encouragement it had received during the present pastorate. Mr. Vickery made a feeling reply, and assured the League that such words of appreciation as he had just listened to, encouraged him very much. He spoke in most kindly terms of the relationship which had always existed between him and his people here, and expressed a regret at leaving. The whole entertainment was full of pleasure and profit.

"Whither are we drifting?" was the natural interrogation of Alf. Powell to his chum yesterday as his team of colts hitched to a heavy wagon dashed down Markham street. Only a skillful hand and a level head could have brought those frightened animals to a standstill without injury after every trace chain had been loosened. Congratulations Alf. on your miraculous escape.

Richmond Hill 5, Elms 2.

The first lacrosse game on Saturday was played in the park here on Saturday, when the home team defeated the Elms, of Toronto, by 5 goals to 2. The match was interesting and exciting, although at times the play was rougher than seemed to be called for. The visitors had some good players amongst them, and it was evident that with practice in team play and a little closer checking the Hill team will give a good account of themselves. Mr. Geo. Derry refereed the match to the satisfaction of all concerned. The home team who went in the field for the first time with their new suits, consisting of black shirts, white pants and caps, looked well. The following are the names of those in the opposing teams:
