RICHMOND HILL, Thursday, Nov. 12, '96

NOTES ON THE RAILWAY.

A gang of men started work at the southern boundary of the village on Monday morning, and made a good showing during the day. The plowing was a difficult task owing to the many large stones wedged in the side of the road.

The steel rails, which are T shaped, are from the well known firm of the Carnegie Co., Pittsburgh, Pa. The rails are 30 feet in length, and each rail weighs about 600 lbs.

Warden Slater was in the village on Monday, looking after the interests of the county, relative to the laying of the electric railway track. County Engineer McDougall finished surveying the line on Tuesday to the northern limit of the village.

At a meeting of the Board of Education on Tuesday a proposition was made to lower the teachers' salaries in the High and Public Schools.

At a meeting of the Board of Education on Tuesday a proposition was made to lower the teachers' salaries in the High and Public Schools, on the ground of economy.

That the trustees acted wisely in re-engaging all the teachers, admits of no doubt.

Section 459, sub-sec. 46a, Consolidated Municipal Act, Ontario Statutes, 1892, page 422, provides that the council of an incorporated village may pass a by-law for preventing charities and other like disturbances of the peace.

Again THE LIBERAL asks, how is it that our council will not provide such a by-law for the village? It is a shame and a disgrace that a marriage cannot take place in our midst but that the family must be disturbed by a pack of hoodlums whose object seems to be to annoy and insult.

The second chamber in Canada is by no means popular. If we are to continue to have a Senate, however, it is well that good men are appointed when vacancies occur. The three appointments made since the Laurier Government came into power cannot fail to give general satisfaction.

Burglars have been at work at Bradford, Stouffville, Toronto Junction, and other places. Every village should be on the alert so as to guard against midnight depredations as much as possible.

THE LIBERAL extends its deepest sympathy to Brother Corson, of the Markham Economist, in his recent sad bereavement. The loss of an only daughter at the age of 25 years is an affliction which draws forth a fellow-feeling from every manly breast.
