The Liberal.

RICHMOND HILL, Thursday, Feb. 14, '97

At a public meeting of the rate-payers called by the reeve on Monday evening, it was evident that our citizens are unanimous in their desire for the erection of a good High School with as little delay as possible, but as to the best place to erect the structure there is a great difference in opinion. Mr. Harrison and Mr. McNair spoke strongly in favor of the Hopkins property, Mr. Storey favored the Park, and Messrs. Pugsley, Nicholls, McConaghy and McMahon thought that the original site was a good location for the school. Mr. Newton, Mr. Switzer, Mr. Sanderson, Mr. Coombs and others spoke of the desirability of a good site now that we have to build. A site on the Arnold property was popular, but it was learned that the proprietor did not wish to sell. Before adjourning, the trustees were requested to examine a site on the east side of Yonge street nearly opposite the Manse, owned by Mr. McNair. Another meeting of the Board of Education will be held to-morrow (Friday). Should the old High School lot be selected, it is proposed that the front building now used as a Public School be removed behind the others, so that the new building may be set farther from Yonge street than formerly.

Of the three bye-elections held on Thursday, the Liberals captured two seats, viz., South Brant and North Ontario, and the Conservatives held East Simcoe. The three constituencies were formerly held by Conservatives.

Justice to All

To the Editor of THE LIBERAL
Sir,—On account of the letter which appeared in last issue from Mr. W. T. Storey, some of the young men feel that an injustice has been done them. In order that some of those who wish to say that some of those who went to Thornhill, certainly knew nothing of the disapproval of the committee of management, and while they would have preferred to stay at home, they went to keep an engagement faithfully made. Of course such did not deserve the censure of the committee. Further, only one of those who played in the match was not a member, and he played only because a man who was to play was late in arriving. The letter from the committee therefore contained a grammatical error in speaking of the players as members and "others."

On Thursday, the 4th inst., the remains of the late Simon Shunk, sr., were interred in the cemetery here. The deceased had reached the ripe old age of 83 years, and had lived here all his life time till about 8 years ago when he retired to Woodbridge. A large concourse of friends assembled to pay their last tribute of respect to the departed, and follow the remains to their last resting place.

A large sleigh load and a couple of cutter loads of our young people took in the oyster supper at Maple on Thursday of last week. We were not fortunate enough to be one of the party, but according to accounts they enjoyed the oysters all right and the programme fairly well.

The Rev. Mr. Morgan of Thornhill, conducted the special service in the Methodist Church here on Thursday, the 4th inst., both of the resident ministers having to attend the oyster supper at Maple.

Miss Childs, who has been visiting in the neighborhood for some time, returned home last Friday.

Mr. A. Kinson conducted the service in the Methodist Church here on Sunday evening.

Langstaff

A very pleasant time was spent at the regular meeting of the O. R. T. last Wednesday evening. The entertainment consisted of music, recitations and a debate on the subject: "Resolved that the United States is a better country to live in than Canada." The speakers on the affirmative were Mr. E. A. James, Miss Pearson, Mr. F. Bell, and Mr. J. McKee; for the negative Mr. D. Boyle, Miss E. Clubine, Miss M. Clubine, and Mr. J. Drury. After a lively discussion, the chairman, Mr. A. Pearson, gave his decision in favor of the negative.

Last Friday evening about 30 of our young people thought they would take advantage of the sleighing while it lasted. We are informed that the drive to Toronto was splendid. There they spent a most enjoyable social evening at the home of Miss Arbuthnot, a former teacher in our Public School, parlor games of every description were at the disposal of the visitors. The refreshments, provided by the good people of the house, were of a very high order—all that could be desired; and needless to say everyone did justice to the same. Time for departure arrived far too soon and all expressed themselves as having spent a most delightful evening. Though the rain fell heavily during the return drive, yet the disagreeableness of the weather was forgotten in the remembrance of the jovial time of the past few hours.

Mr. E. A. James spent Sunday last with friends in Toronto.

Mrs. W. R. Clubine has returned from spending a two weeks' visit with relatives in Newmarket and King.

Mrs. Darling was visiting in Toronto last Saturday and Sunday.

Miss Mitchell of King, has been the guest of Miss S. Pearson for the past few days.
