JUNIOR LACROSSE MATCH.

The result of the lacrosse match on Monday between junior teams from Newmarket and this village was 4 straight games in favor of the home team. Several of the players did good work, but the long grass in the park made it impossible to play good lacrosse. After preliminaries were settled the teams lined up as follows:—
Newmarket—F. Kelly (goal), J. Kennedy, L. Fox, E. Close, A. Flannagan, J. Widdes, O. Hallam, P. Howard, F. Osborne, F. Chapelle, W. Moffatt, W. Kelly.
Richmond Hill—W. Storey (goal), R. Storey, C. Hall, J. Brown, J. Glover, F. Hooper, W. Clifford, H. Hooper, A. Glass, H. Vanderburg, L. Morris, B. Glover. Field captain, W. Glass. Umpire, J. Albin. Referee, F. Sims.
The visitors were after the match treated to supper at the Palmer House.

AS OTHERS SEE US.

Our esteemed cotem., the York Gazette, published at Deer Park, in giving an account, in its last issue, of various excursion parties on Dominion Day, has the following, relative to the Metropolitan Railway, and our village as a summer resort:—
"The Metropolitan Railway did a rushing business, the only drawback being their inability to supply enough cars for the now famous trip to Richmond Hill. From the first thing in the morning till early the next morning every car was taxed to its utmost capacity, there not being comfortable standing room. Those who took the trip for the first time were however well repaid for their inconvenience, as this ride is a most refreshing and enjoyable one, while on arriving at Richmond Hill the tourist is agreeably surprised to find that instead of being a little back wood hamlet he has entered one of the prettiest and neatest villages in the province of Ontario, with its neatly kept streets and tasty residences presenting to the visitor every appearance of comfort and prosperity. The Metropolitan with their new palace cars are now running excursions at the low rate of 25 cents, and there is little doubt that before long Richmond Hill will become a well known holiday and summer resort. Under the able management of Mr. Moyes, the company find that it is impertive that arrangements be at once made to still further increase the accommodation of this now popular holiday route."

S. S. LAWN PARTY.

It is safe to say that everybody who attended the Lawn Party in Mr. W. A. Sanderson's beautiful grounds on Saturday evening went home with the feeling that an extremely enjoyable time had been spent. The weather was perfect for an outside gathering, the decoration and illumination was superb, the edibles were delicious, and the band rendered a choice musical programme during the evening. As might be supposed on such a warm night, the cool, refreshing drinks were at a premium, and the energies of a large committee were taxed to the utmost to meet the demand for the ice-cream and other delicacies which were served. Every class and every age seemed to be well represented. Elderly people joined in social conversation as they rested on comfortable seats among the trees and shrubs, the grown up youth and beauty seemed to study the pleasure of others as well as their own, and the scores of prettily-dressed children fitting to and fro were enough to remind one of the scenes in fairyland. The officers and members of the Sabbath School are delighted with the success of the party, and look forward with pleasure to giving the children a pleasant outing on Wednesday of next week over the Metropolitan and the Toronto electric railways to Victoria Park. The proceeds of the party amounted to something over \$98. About 8 o'clock in the evening a special car arrived, which conveyed guests to the grounds, returning at 10.30 o'clock crowded with passengers. On the following day, Sunday, after Sabbath School, a vote of thanks was moved by Mr. J. A. E. Switzer, seconded by Mr. White, to Mr. W. A. Sanderson for his kindness in assisting the school by the use of his beautiful lawn; also to the Village Band for their well-rendered selections.
