The Liberal.

RICHMOND HILL, September 2, 1897.
THE WELCOME TO SIR WILFRID

During the past two months people and newspapers of all shades of politics have been free to admit that Sir Wilfrid Laurier's trip to Canada was the best advertisement that Canada ever received. Our Premier was almost idolized at the Queen's Jubilee, and he has returned laden with honors. Mr. Laurier went to Britain as the representative of this Dominion, and the great majority of Canadians agree that he represented us with dignity and credit. But it seems that there are a few people who are ready to belittle all his efforts to benefit his country. Mr. C. C. Robinson, President of the Toronto Conservative Club, would like to have Sir Wilfrid censured for not getting preferential trade, although the Conservative party failed to accomplish that task during the eighteen years they were in power. It is not surprising that such narrow-mindedness is being criticized in several quarters. The Toronto Star has the following timely remarks:—

"At a meeting of the Liberal-Conservative Club last night the president, Mr. C. C. Robinson, distinguished himself by declaring that 'on account of Sir Wilfrid Laurier's action in Great Britain,' no Conservative should take part in the reception to be tendered Sir Wilfrid on the occasion of his next visit to Toronto. Mr. Robinson further expressed the opinion that the club should pass a resolution of censure upon Sir Wilfrid Laurier for throwing away the chance of getting preferential trade when it was offered to him."

"Who is Mr. C. C. Robinson that he should take upon himself to declare that any scheme of trade between Canada and the motherland that does not suit the views of the Tupperite Conservatives of Canada is a bad scheme? Who is the president of the Liberal-Conservatives of Toronto that he should attempt to prevent the more enlightened Conservatives of this city from doing honor to a statesman who, upon the evidence of all his considerable contemporaries, has done more to strengthen the position of the Canadians in the sympathies of the British people than any other man in the history of the Dominion?"

"Mr. Robinson needing no flatter himself that right-thinking Conservatives will follow his advice. Sir Wilfrid Laurier's trade policy has done more in four months to broaden the commercial relations between the motherland and Canada than Tupperite spouting did in twenty years. In recognition of Canada's free gift, Britain has already made one important concession. And should the occasion arise, other concessions will surely follow. Sir Wilfrid Laurier's presence in England during the past three months has been the best advertisement Canada ever had, and Canadians of every class, outside perhaps of a small and hide-bound Tory clique, will unite to do him honor on his home-coming."

NEWSPAPER VS. COUNCILLOR.

The Newmarket Era and County Councillor Woodcock are sending out some spicy correspondence to residents in the northern part of the county. The Era claims that as the proprietor of that paper has secured the printing of the county minutes by tender, it should also receive any advertising that may be needed, without a tender.

Among other things it complains that THE LIBERAL advertised a county by-law last year which should have gone to the Era.

We fear that our esteemed cotem. shows a little selfishness in this matter. If the Era chooses to take jobs at starvation prices in order to get the work from some other brother printer, it should not expect advertising or any other work at its own price.

On the other hand Mr. Woodcock claims credit for getting the county printing done at a much lower rate than it was done for when he first entered the county council. Very little credit is due to Mr. Woodcock and the other county councillors for this reduction. Much of the printing is often done below cost, and if any credit is to be given, the printers who are willing to cut each other's throats should get it. Mr. Woodcock should not be blamed, however, for defending the county council against the attacks of a newspaper that seems to think it is entitled to advertising at fancy prices in order to make up for printing received by tender at too low a rate.

Master E. Wiles spent Sunday with his cousin, J. Wiles of Maple.

Misses Bertha and Flossie Dutcher of Kettleby, spent a couple of days last week with their aunt of this place.

The recent showers have wonderfully improved vegetation. Ensilage corn is making rapid growth, some measuring 9 feet 10 inches.

Thimble-berrying is the talk now.

The frequent showers have retarded the harvest work. We have heard of a few who have finished harvesting; others have considered gravest to shelter yet.

Mr. R. O. Harvey occupied the pulpit in Snowball on Sunday week, and delivered a very interesting discourse to a large congregation.

Mr. and Mrs. R. Wiles of Willow Vale, spent Thursday of last week with Mr. Wiles' sister, Mrs. Tyrrell. (Too late for last week.)

Thornhill

Seldom has a village had the opportunity of listening to such a musical treat at their own door as that which was supplied the citizens and surrounding community last Saturday evening by the Army and Navy Veterans' Band of Toronto. The concert was given in Gallanough's large skating rink, a most suitable place for such an entertainment.

The band, 32 strong, played a lot of high class music in a masterly manner, and proved their adaptability to play simpler music by giving a number of the popular selections. Mr. Thos. A. Baker, always welcome in this place, was in good form, and Mr. Harry Brown sang a number of very appropriate pieces.

One of the interesting features of the evening was the mandolin playing by Mr. LaBarge of Memphis, Tenn., who is one of the star mandolin players of America. The piano accompaniments during the evening were played with masterly rendition by Miss Effie Houghton, a young musician whom the village has reason to be proud of.

Among the prominent spectators were Mr. N. C. Wallace, M. P.; Mr. John Richardson, M. P.; Mr. J. W. St. John M. P.; Mr. J. Hill, Reeve of York; Mr. Frank Smith, Vaughan; Mr. D. B. Birrell, York Mills; Mr. R. O. Harvey, Laskay; Mr. John Morgan, Willowdale; Mr. T. Cook, Concord; Mr. J. C. Querrie, Aurora; and many others.
