

Pain Past Endurance.

T. W. COON HOPELESSLY CRIPPLED WITH RHEUMATISM.

Could Not Raise Either Hand or Foot and Had to be Fed and Dressed—The Doctors Told Him a Cure Was Impossible, Yet He Attends to His Business To-Day. From the Millbrook Reporter.

Rheumatism has claimed many victims and has probably caused more pain than any other ill affecting mankind. Among those who have been its victims few have suffered more than Mr. G. W. Coon, now proprietor of a flourishing bakery in Hampton, but for a number of years a resident of Pontypool, when his severe illness occurred. To a reporter who interviewed him Mr. Coon gave the following particulars of his great suffering and ultimate cure: "Some seven or eight years ago," said Mr. Coon, "I felt a touch of rheumatism. At first I did not pay much attention to it, but as it was steadily growing worse I began to doctor for it, but to no effect. The trouble went from bad to worse, until three years after the first symptoms had manifested themselves I became utterly helpless, and could do no more for myself than a young child. I could not lift my hands from my side, and my wife was obliged to cut my food and feed me when I felt like eating, which was not often considering the torture I was undergoing. My hands were swollen out of shape, and for weeks were tightly bandaged. My legs and feet were also swollen, and I could not lift my foot two inches from the floor. I could not change my clothes and my wife had to dress and wash me. I grew so thin that I looked more like a skeleton than anything else. The pain I suffered was almost past endurance and I got no rest either day or night. I doctored with many doctors, but they did me no good, and some of them told me it was not possible for me to get better. I believe I took besides almost everything that was recommended for rheumatism, but instead of getting better I was constantly getting worse, and I wished many a time that death would end my sufferings. One day Mr. Ferrin, storekeeper at Pontypool gave me a box of Dr. Williams' Pink Pills and urged me to try them. I did so somewhat reluctantly, as I did not think any medicine could help me. However, I used the pills, then I got another box and before they were gone I felt a trifling relief. Before a third box was finished there was no longer any doubt of the improvement they were making in my condition, and by the time I had used three boxes more I began to feel, in view of my former condition, that I was growing quite strong, and the pain was rapidly subsiding. From that out, there was a steady improvement, and for the first time in long weary years, I was free from pain and once more able to take my place among the world's workers. I have not now the slightest pain and feel better than I felt for seven years previous to taking the pills. I thank God that Dr. Williams' Pink Pills came in my way, as I believe they saved my life, and there is no doubt whatever that they rescued me from years of torture.

Dr. Williams' Pink Pills strike at the root of the disease, driving it from the system and restoring the patient to health and strength. In cases of paralysis, spinal troubles, locomotor ataxia, sciatica, rheumatism, erysipelas, scrofulous troubles, etc., these pills are superior to all other treatment. They are also a specific for the troubles which make the lives of so many women a burden and speedily restore the rich glow of health to pale and sallow cheeks. Men broken down by overwork, worry or excesses, will find in Pink Pills a certain cure. Sold by all dealers or sent by mail postpaid, 60c. a box, or six boxes for \$2.50, by addressing the Dr. Williams' Medicine Company, Brockville, Ont., or Schenectady, N.Y. Beware of imitations and substitutes alleged to be "just as good."

CROWDING THE MOURNERS.

Mr. Konseet—Don't you think husbands are terribly aggravating at times?

Mrs. Konseet—Oh, very; especially when they ask whom you think you would have married if you hadn't married them.

HIS THEORY.

First Footpad—This is a dandy watch of mine. Did yer notice me monygram?

Second Footpad—Yes. Did you an' the feller that used to own the watch have the same initials?

"A Man's a Man for a' That."

Even if he has horns on both feet. But he is a stronger, happier and wiser man if he uses Putnam's Painless Corn Extractor and gets rid of the unsightly corns, painlessly and at once.

NOT WHAT HE SEEMED TO BE.

My poor man, I have nothing for you. Why don't you—

Poor nothin'! I've got dollars to your cents! I'm jist back from the Klondike, and I'm lookin' for my sister. Are you the slim-legged little whipper-sapper she married?

THAT NEEDS AN EXPLANATION.

Trivet—I believe in giving the devil his due.

Dicer—But why do you make him a preferred creditor?

WELL SUPPLIED.

Tourist—Are there any distinguished citizens here?

Resident—Distinguished? Stranger, we've got the two champion checker players of Beeswax County right here in this town?

AN EXCEPTION TO THE RULE.

Prince Oscar of Sweden is going to Africa to Try and Convert Heathen.

The average Prince is usually a gay young blade, but Prince Oscar of Sweden is a rare exception. Not only has he devoted the greater part of his life to evangelical work, but it is now announced that, accompanied by his equally pious wife, he will invade the jungles of Africa and spread the Gospel among the benighted heathen.

Prince Oscar, although the second son of the King and Queen of Sweden, is not a Prince at all. He sacrificed his title when, in 1888, he married Miss Ebba Munck.

Ebba Munck, who is of patriotic birth, was chosen maid of honor to the Crown Princess, and, although three years older than Oscar, their meeting was almost a case of love at first sight. She was engaged to be married to Count Valdemar von Rosen, a young army officer, who was not altogether in sympathy with her religious views. She consequently released the Count, and Prince Oscar, a blonde giant, standing six feet and six inches in his stocking feet, began to pay her assiduous court. The King and Queen were strongly opposed to the match, and Miss Munck left the royal household, becoming a nurse in the Queen's hospital.

Despite all opposition, the marriage took place, the Prince according to law, renouncing all the pomp which was his by right of birth. Since then Oscar and his wife have never been seen in royal circles.

Within the last year they have associated themselves with the Salvation Army, and have been conducting open air meetings in the streets of Stockholm.

And, now, according to recent cable despatches, this strange pair of religious enthusiasts purpose to go as missionaries to Africa.

HIGHEST COST OF A CABLEGRAM.

Sixteen thousand dollars is the record price paid for a cablegram, that price having been paid for a message sent by Mr. Henniker Heaton to Australia in behalf of the British parliament. Reuter's account of the murderer Deeming's trial, 4,000 words, cost \$8,000. An 1,800-word dispatch from London to Argentina cost \$7,500. The most expensive private message so far is that sent by the King of Italy to the duke of Abruzzi at Rio Janeiro, informing him of the death of his father, the late Duke of Aosta, which cost \$2,670.

SOCIAL FAUX PASS.

Next time I'm going out to Beverly's I'm going to take a campstool with me.

What for?

Last time I went, I sat down on a little thing that turned out to be a tea table.

County of Middlesex, To Wit:) Hington Street, London, Canada. I, Henry Amos Plastow, of the City of London, in the County of Middlesex, Water Works Inspector: Do solemnly declare that I have used the "Amberine Hair Producer," manufactured by Messrs. Job Cook and Company, of No. 58 Wellington Street, in the City of London, Canada, since the 15th day of April, 1897. It has stopped the itching of the scalp, stopped the hair from falling out, removed the dandruff, and has brought out a thick crop of hair where my head was entirely bald before I commenced using their preparation. Declared before me at the City of London, in the County of Middlesex, this 11th day of October, A. D. 1897, all which I certify under my notarial seal. H. A. PLASTOW. E. T. FOR CURE.

Kootenay's New Ingredient.

Makes Startling Cures.

Bright's and Kidney Disease.

Sciatica, Inflammatory Rheumatism.

If There is Any Old Chronic Disease Lurking in Your System, KOOTENAY WILL DRIVE IT OUT

The way that Kootenay takes hold of old chronic cases of Rheumatism, and rids the system of the lurking poison upon which the disease exists, the endorsement by well-known clergymen, physicians and hospital executives of its cures, leads past all doubt as to its power to cure this disease.

The New Ingredient, that works so marvelously in searching out stubborn and chronic rheumatism, is just as effectual with most any other chronic disease. Hopeless cases of Bright's Disease yield to its influence, Eczema, in extreme forms where eruptions have existed from head to foot are in its records of cures. Pale, haggard and emaciated people, whose frames are all angles and curves, unrefreshed by sleep, troubled by indigestion and nervousness, round up in health through the use of Kootenay Cure.

I, Wm. H. Wix, residing at 47 Hughson Street North, in the City of Hamilton, do solemnly declare that I have been afflicted with rheumatism for seven years, and at different times confined to the hospitals both in Hamilton and Toronto. Was discharged from the Hamilton hospital after eleven months' treatment, and on the 15th of January last I was told that they could do nothing for me. When leaving there I was scarcely able to walk. I tried a number of so-called cures; had my feet covered with fly plasters under directions of a physician, but got gradually worse. On the 13th day of this month, after taking two and one-half bottles of Ryckman's Kootenay Cure, I threw away my stick which I had been compelled to use for support, and am now a healthy man, free from all pain, after seven years' suffering. On Tuesday last I was on my feet for eighteen hours steadily without any bad results. I am now able to attend to my work regularly, which frequently necessitates my hands being in water for hours. I consider Kootenay the most wonderful blood medicine and Rheumatic Cure ever known. Wm. H. Wix. Declared before Notary J. W. Nesbit. July 17, 1896.

If not obtainable of your dealer, will be forwarded, charges prepaid, on receipt of price, \$1.50 per bottle, by addressing **S. S. RYCKMAN MEDICINE CO., Limited, Hamilton.** Send for Chart Book free.
