

The Liberal.

RICHMOND HILL, January 13, 1898

Society and Fashion Gossip from the Queen City.

On New Year's Day hosts of citizens found their way to Government House when Sir Oliver and Miss Mowat received. The Lieutenant Governor had a kind word of welcome for every one. Miss Mowat looked very sweet in a gown of pink and white satin and made a charming little hostess. Bright sunshine and good sleighing made the day very lively and many called who would not have done so had the weather not been fine.

It has been said that the sets which were danced at the Victorian Era Ball will be danced over again at the Ball Poudre if the men can be persuaded to do so which I doubt very much as most of them do not care to be troubled about their costumes and again many will be opposed to sitting for an hour to see them come through a second time.

Numbers of our Toronto people find the sunny climes of the south is preferable to our cold and snow, and are as a consequence deserting us for the winter. Among them are Mr. and Mrs. Hugh Ryan and their two daughters, Mrs. Greene and Mrs. Austin Smith have left this week for a winter in Mexico. Mrs. P. C. Larking and her daughter leave on Thursday for Santa Barbara, California and will spend the winter there. Mr. and Mrs. G. B. Smith leave shortly for Los Angeles, California, to remain away until spring and will visit many places during their journey. Mrs. Robert Darling Ravensmount left this week for England. The Misses Carty intend to spend some time in the south for the benefit of Miss Carty's health.

Mrs. Grace Dryman daughter of Mr. John Dryman of W. A. Murray & Co. and one of the handsomest young ladies is to be married on the 26th of January to Mr. William Evans of London, England. The wedding gown is a vision of loveliness and the trousseau is altogether very dainty and pretty.

We are pleased to know that Mr. John Shaw of the Cummings' Stock Co., playing at the Princess Theatre and who has been in St. Michael's Hospital suffering from pneumonia is able to be out again, and we hope that it will not be long before we will see him again in his place on the stage.

Last Sunday the members of the Bible class in the Methodist S. School here, presented their teacher, Mr. A. Hoover, with a handsome Oxford Bible. Mr. Hoover, made a suitable reply.

If you are Energetic and Strong,

If you are above foolish prejudice against canvassing for a good book, write and get my proposition. The information will cost nothing. I have put hundreds of men in the way of making money; some of whom are now rich. I can do good things for you, if you are honorable and will work hard.

Oak Ridges

Skating has been spoiled of late by the soft weather.

One of our enterprising townsmen Mr. Thos Bell, purposes keeping the ice clear of snow so that the young people may enjoy themselves by this pleasant pastime.

Mrs. Bell seems to be doing a nice store trade. Although this cannot be classed among the Departmental stores the residents of the neighborhood find it very convenient to get many staple articles so close at home.

Mr. Thos Legge of Larchmere West is acting as a jurymen in Toronto.

The auction sale of some of Mrs. Whitney's household effects and house and lot passed off very nicely, and good prices were realized for almost everything sold. Mrs. Whitney wishes to thank the neighbors for their liberal patronage at the sale and especially the auctioneer, Mr. S. T. Brookes of White Rose, who made the best of everything for her. The house and lot was purchased by Mr. J. G. Legge for \$175.

Carrville

We are sorry that the snow has disappeared so fast, as through the liberality of our council we expected to get a lot of gravel on our roads. As usual, the Mayor of our town is superintending the same.

The hum of the threshing machine is still heard in our midst, but our friend with the straw hat is much missed at such gatherings.

There has been quite a boom in the building line lately, and in consequence thereof we expect to have a large supply of cheap eggs and early spring chickens for our town.

Our skating rink is largely patronized by the youth and beauty of the surrounding country.

We are sorry to learn that our young butcher has met with an accident, having got his fingers mutilated in the Carrville flour mills. We are afraid that he will not be able to furnish his usual supply at Richmond Hill on Saturday.

The herdsman of our leading dairy contemplates going to the Klondike in the early spring. We wonder what will become of our domestic pet.
