He will not have completed his job for some days yet.

YORK COUNTY W. C. T. U.

The Sub-Committee of the County Union was in session yesterday in this village for the purpose of making arrangements for the Semi-Annual Meeting, which will be held in Toronto Junction, on April 14. Owing to the serious illness of Mr. Cane, sr., the President, Mrs. Cane, of Newmarket, was unable to attend; the vice-president, Mrs. Switzer, presided.

Many a man's greatest mistake has been in attempting too much. Atkinson & Switzer can do to the letter exactly as they advertise, even though the low prices seem incredible.

HOCKEY MATCHES.

On Thursday night the Harbord St. Collegiate hockey club played a friendly game with the local team on our ice. The game was witnessed by about a hundred of the villagers, who cheered on the boys when they made a good play. The sides were evenly matched. In the first half neither side scored, but in the second half the visitors pulled up, and at the close the score was 3 to 1 in favor of Toronto. On Saturday afternoon the Thornhill hockey club played a game with our second seven. The game was fast and exciting and at the close the score stood two all.

TEMPERANCE MEETING.

At the Temperance Hall on Sunday afternoon the Bible reading was given by Mrs. J. A. E. Switzer and an enthusiastic address was delivered by Rev. G. McCulloch. Miss Glass sang a solo and Messrs. Glass and Mason acted. At the close quite a number signed the pledge. These meetings are increasing in interest, and will bear fruit in the approaching plebiscite.

THE HIGH SCHOOL.

Inspector Seath paid our High school an official visit on Thursday last. His report has not yet come to hand but he expressed himself as well pleased with the building and the equipment. His criticism of the teachers was not in any way severe and we are looking for a favorable written report in a few days.

See the samples of fine Tweeds, Suitings, Cheviots, black and blue Serges, Worsteds, &c., at Atkinson & Switzer's.

NEXT SUNDAY.

Instead of the usual Gospel Temperance meeting in the Temperance Hall on Sunday next, Miss Phelps of St. Catharines will give an address in the Methodist Church at 4 o'clock. Those who had the privilege of hearing this clever speaker on her former visit to our village, will be pleased to have another opportunity of doing so. Miss Phelps has travelled widely in connection with this work, not in Canada only, but in England, France, and other European countries. Doubtless her talk will be of deep interest. Collection at close of meeting.

The only place to get bargains is at the store that advertises for your trade. Prices were never better tempered to a slender purse than now. Atkinson & Switzer.

TRAMP IN THE SCHOOL HOUSE.

On Monday night after our village constable and Chief Morrison had retired, some one discovered that a tramp had taken up his lodging in the Public School. The information was conveyed to Mr. Brownlee and an investigation followed. The tramp had kindled a fire and was making himself as comfortable as possible when the constable disturbed him. He had entered by a window. He spent the rest of the night in the lock-up. The same night another tramp was lodged by Mr. Hulse, of the Palmer House. A lodger in the next room claims that in the morning he was minus eighty-five cents, the amount of change in his pockets the night before.

TEMPERANCE AND INSURANCE.

An excellent opportunity for obtaining a life insurance policy on easy terms is, until the 1st of May next, offered by the Royal Templars of Temperance. This organization is now a strong one, having not only for its object the shielding of its members from the evils of intoxicating drinks while they may live, but that of providing for them the ability to leave a legacy to those they leave behind in case of death. Though but a few years in existence it has made such a rapid advance that it numbers many thousands of members, carrying in its insurance department risks amounting to over \$10,000,000. With a death rate of but six to the thousand, it has promptly met all calls on beneficiary certificates, and has a cash surplus in the Bank of Montreal of over \$60,000. The Richmond Hill Council has twenty-seven members. It carries risks to the amount of \$50,000. It has lost by death three of its members, who held beneficiary certificates for nearly \$6,000, which was promptly paid on notice of death. As the Royal Templars are among the very few insurance organizations and the only one in this village that admits ladies to the privilege of insurance, a good opportunity is now given to secure a life policy that will enable them to leave something to those they love should they be removed by the hand of death. At the last session of the Richmond Hill Council it was resolved to drop, until the above date, the customary entrance fee of \$6 for gentlemen and \$3 for ladies and admit all applicants who can pass a satisfactory medical examination on the payment of \$2 to cover the medical and policy fees. Elsewhere in THE LIBERAL will be found a list of rates, which will show amount to be paid monthly according to age and the sum that would be secured. "Honesty is the best policy," but the safest policy is an insurance policy in the Royal Templars.

Boots and Shoes—Our stock is complete, including Men's and Boy's heavy Footwear, Ladies' and children's medium and fine shoes. It will pay you to come and see us. We sell for cash. Naughton Bros. Elgin Mills.

BOARD OF EDUCATION.

The board of Education held its regular monthly meeting in the High school on Monday afternoon. The following members were present: Messrs. Naughton, Switzer, McNair, Storey, McDonald, Newton, Boyle, Harrison, McConaghy and Sanderson. After passing some small accounts a discussion was begun as to the best and speediest way of improving and correcting the cold air draught. It was decided to procure a meeting between the architect and the Pease Furnace Company, in order that all particulars might be discussed and a perfect ventilation secured. It is likely the holes in the side of the chimney will be blocked and the top of the chimney opened. Mr. Coombs was appointed a committee to purchase books for the library to the amount of \$25, which represents the proceeds of the recent entertainment. Arrangements were made for the procuring of window shades. The Committee on books reported that they had several pictures for beautifying the walls and would have them put in place in a few days.

Just to hand, another shipment of Pure Lard, at Atkinson & Switzer's, which is selling at 9c. per lb.
