The Globe of Saturday contains a short letter from Master Bert Slinev, of the 2nd Department of our Public School, the contribution appearing in "The Children's Circle." Bert gives a very good description of our village and as he says he is a weekly reader of the Globe, it may be inferred that in politics he is somewhat gritty.

DIED IN HIS 63RD YEAR.

One of our most highly esteemed citizens in the person of Jeremiah Mortson passed away on Monday morning after a lengthened illness. Deceased had been troubled for nearly two years with cancer, and although several operations were performed the malignant growth could not be checked. Mr. Mortson was a favorite with all classes, and his kindly disposition will not soon be forgotten. He was a member of the village council for several years, and always worked for the best interests of the village. After the funeral yesterday afternoon, Rev. G. McCulloch preached an impressive sermon in the Methodist church, in which touching references were made to the worthy qualities of the departed. The sorrowing wife, children and immediate relations have the sympathy of the community in their bereavement.

FIVE YEARS MARRIED.

About a dozen of the friends and relatives of Mr. and Mrs. Bert Hopper spent a very pleasant time at their home on Tuesday evening. The occasion was the celebration of the fifth anniversary of their wedding. The evening was spent in music and conversation. About 10 p. m. refreshments were served consisting of ice cream, fruit and cake. The guests went home well pleased, and wishing that some more of their friends would soon have a similar anniversary.

GARDEN PARTY.

The garden party held in the church grounds, Thornhill, on Monday evening in aid of the R. C. Presbytery was well attended, and an enjoyable time was spent. Many were present from the village and immediate neighborhoods, and the electric cars brought a goodly contingent from Toronto. The more sedate people spent their time in social intercourse, whilst the younger and more active element danced the hours away to the music of a good string band. During the early part of the evening the Thornhill band played a number of lively selections. A number of young ladies served refreshments from a booth, and the pastor, Rev. P. McMahon, was untiring in his efforts to make the people enjoy themselves. A number of politicians graced the occasion with their presence, among them being Mr. W. F. Maclean, M.P.; Mr. W. J. Hill, M. P.P.; and Mr. J. W. Moyes.

BY 6 TO 1.

The York District championship is ours. The last match was contested last Saturday on the Aurora sporting grounds. The game was advertised to commence at 3.30 but the referee did not blow his whistle till 4.15. The Aurora team were much strengthened since their appearance here in June, being reinforced by three men from Bradford and one from Newmarket. The following players represented the teams: Aurora—Bond, McKinstry, Ough, Spillet, McMahon, A. Trivett, W. Trivett, Banks, Rutsey, Browning, Hutchison; H. Fleury, captain. Richmond Hill—Savage, Glass, Skeele, F. Sims, Lyons, Hooper, G. Sims, Grainger, McKenzie, Clifford, Will Trench, Wyc, Trench; H. Sanderson, captain. The first game was all Aurora. The crowd yelled and the ball never went past centre. After 2 minutes play the ball went behind the Hill's flags and as it was passed to the front one of the Hill boys accidentally scored for Aurora. The Hill boys now settled down to hard work and from this time to the finish the result was at no time in doubt. The defence put up a sure, steady game, and aided by the good combination of the fielders and home players, worked the sphere in and around the Aurora defence and kept the goal in constant danger. The Aurora boys at times played well, but could do nothing with the Hill's strong defence which they had to compete with. Six games soon tallied up for Richmond Hill and the match was won. The following is the order of the games. 1st, Aurora, scored —, time 2 mins.; 2nd, R. H. scored by McKenzie, 16 min.; 3rd, R. H., Trench, 5 mins.; 4th, R. H., Clifford, 13 mins.; 5th R. H., Trench, 13 mins.; 6th, R. H., Clifford, 10 mins.; 7th, R. H., G. Sims, 5 mins. Mr. A. E. Sheyk refereed the game impartially. Our boys showed better form on Saturday than at any game during the season and although it was a rough game they were all in the best of spirits on their return home. If the present team keep together they will no doubt be one of the strongest teams in 1899 that has represented our village since "The Young Canadians" won their many victories.

NOTES.

Hec, wonders what is the best preparation to produce hair on bald spots of the head.

It is currently reported by Aurora lacrosse team that someone burnt a "rabbit's foot" and put the "hoodoo" on their trail.

Everyone was confident of a walk-over in Aurora but the only thing the Hill boys said was "nit, nit, nit."

Outside the Hill's pretty combination play, "scrapping" was the most important feature of the game.

The story of the game may be told briefly as follows:—"Time called, ball faced, a little scrap, a disfigured face." Ditto.
