BODIES WASHING ASHORE.

Another report says bodies are washing ashore, one being that of a lady with both legs severed, and lashed to a plank.

Particulars as to the disaster are difficult to obtain. It appears that when the Mohegan struck a gale was blowing, and the sea was running high.

Lifeboats put off from the Lizard and from Falmouth, one returning filled with passengers. Several were drowned, however, it is reported, on the passage of the lifeboat to the shore. Another lifeboat saved six per-
