NO MORE TICK!

Several of the merchants of this section of country have made up their minds that to do business by the Cash System is the better and safer way. Those who have made announcements during the past week are Messrs. Atkinson & Switzer of this village, and Mr. R. S. Thomson and H. C. Bailey of Maple. No doubt the move is a good one, and in the end will be better for both buyer and seller.

FOR THE PUBLIC LIBRARY.

The Public Library Board have made arrangements with the Victoria Minstrels, Toronto, to give an entertainment in the Masonic Hall, on Thanksgiving evening, Thursday, Nov. 24th. POPULAR READING.

We have received from The Poole Printing Company, Limited, Toronto, a copy of "His Brother's Keeper," by Charles M. Sheldon, the well known author of "In His Steps." This is not only a delightful story, told in an interesting manner, but is full of helpfulness. One of the greatest problems of the day is ably dealt with. The scenes in the mining region are based upon events which occurred during the great strike among the iron miners in the summer of 1895, and which were witnessed by the author. Everyone should read it. The above named company have already published seven of Sheldon's books, and every one is having a very large sale. The titles of the others are: "Overcoming the World," "The Crucifixion of Philip Strong," "Robert Hardy's Seven Days," "Richard Bruce," and "The Twentieth Door." For sale by all dealers. Or, if your dealer cannot supply them, any one book will be sent, postpaid for 25 cents, or any six for \$1.00, by sending to The Poole Printing Company, Limited, 28 and 30 Melinda Street, Toronto, Ontario.

IT IS INDEED A BEAUTY.

We have received a copy of the premium picture given to subscribers of the "FAMILY HERALD & WEEKLY STAR," of Montreal. It is the famous battle scene picture, by the celebrated artist, Robert Gibb, entitled "THE THIN RED LINE." It is, indeed, a beautiful picture. "Family Herald and Weekly Star" pictures are always superior to those given by other weekly papers. They are not out of place in the best art galleries of the world. The publishers of the "Family Herald and Weekly Star" have certainly surpassed all previous efforts this year, both in regard to the picture and paper. "The Family Herald and Weekly Star" and the picture, "THE THIN RED LINE" is certainly a great combination for One Dollar. The rush of subscriptions, renewal and new, has begun two months earlier than usual this year, so great is the anxiety for Canadians to be in possession of one of the pictures and to have their names entered on the "Family Herald" Subscription list.

Green coffee reduced to 9 cts.; the good coffee that we sold freely at 20c., fresh ground is now 18c. Atkinson & Switzer.

Commencement Exercises at the High School.

Friday, Oct. 28th, was the day set apart by our Board of Education for the holding of the annual commencement exercises. The general programme consisted of an afternoon of sports and an entertainment in the evening at which the certificates and diplomas were presented to the successful pupils.

In the afternoon there were two football matches in the park, which created no small amount of enthusiasm. The first match was between a junior team of the High School and a junior team from Woodbridge Academy, while the second match was between senior teams from the same institutions. The juniors averaged about 125 lbs. in weight, and, although young, played good ball. The match lasted for nearly an hour, and at the close the result was a tie, as neither team had scored a goal. The seniors then took the field and played for one hour, when darkness stopped the game. The result in this match was the same as in the former, for neither side succeeded in scoring. Both teams in both matches acquitted themselves well, and the best of it all was that there was not the slightest unpleasant-

ness or display of temper to mar the sport. The whole play was entirely free from roughness, and was the best we have seen here for a long time. The referee in the junior match was Mr. Langdon of Woodbridge, and Mr. Coombs of Richmond Hill did that duty in the senior match. The names of the players are:

JUNIOR MATCH.

Woodbridge—Goal, G. Haystead; backs, H. Wallace, G. Whitmore; half-backs, G. McClure, T. Sawdon, A. Harris; forwards, D. McClure, G. McLean, D. McBride, N. Emeler, J. Thompson.

Richmond Hill—Goal, E. Perryman; backs, F. Bowes, H. Jackson; half-backs, O. Crawford, G. Lane, R. Kerswill; forwards, J. Hadwen, C. Klimck, W. Lindsay, H. Rumble, H. Keffer.

SENIOR MATCH.

Woodbridge—Goal, G. Elder; backs, Art. Wallis, Alf. Wallis; half-backs, K. Langdon, T. Wallace, H. Royal; forwards, C. Peters, F. Rowntree, L. Wallace, W. McClure, G. Whitmore.

Richmond Hill—Goal, A. Savage; backs, G. Teasdale, J. Troyer; half-backs, G. Teasdale, J. G. McDonald, R. Kerswill; forwards, J. Teasdale, C. Malloy, W. Trench, W. Atkinson, Wye. Trench.

The exercises closed with an enjoyable entertainment given in the evening in the Masonic Hall, which was packed to the doors. Mr. Naughton, Esq., chairman of the Board, presided and in his opening remarks expressed his pleasure in seeing such a large audience before him. Rev. Dr. J. R. Teefy, Principal of St. Michael's College, formerly a Richmond Hill High School boy, presented the certificates and diplomas to successful pupils at the summer examinations, and afterwards gave an address in which he congratulated teachers, pupils and trustees on the efficiency of the High School. The following presentations were made:

CERTIFICATES.

Form I.—Agnes Boyle, Maurice Botham, Wilfrid Ball, Oliver Crawford, Ethel Jefferson, Roy Kirby, Garrie Lane, Frank Storey, John Troyer.

Form II.—Frank Bowes, Ewart Ball (honors), Emma Byam, Cecil Klinck, Hattie Risebrough, Carrie Shunk, Louie Lundy.

Form III.—Gertrude Grant, David Hewitt, Harold Keffer, Percy Keffer, Etta Richardson.

MATRICULATION PART I.

Alex. Boyle, Rich. Knight, Chas. Malloy, N. Naughton.

MATRICULATION.

Lorne Morris, Gertrude Grant, Harold Keffer, Percy Keffer.

LEAVING DIPLOMAS.

Gertrude Grant, David Hewitt, Harold Keffer, Percy Keffer, Etta Richardson.

Miss Ethel Switzer and Mr. A. J. Hume sang solos, and the Mendelssohn Choristers, and the pupils of the school under the direction of Mr. J. H. Sanderson, gave a number of lively and appropriate choruses during the evening. Mr. F. J. Johnston, B. A., gave some physical and chemical experiments, and living pictures made to represent Shakespeare and Bacon who answered a large number of difficult (?) questions put to them by Principal Coombs, created a great deal of amusement. But the most interesting part of the programme was the presentation of several scenes from "Macbeth," which was given with good effect with the following cast of characters:

Macbeth..... Mr. F. J. Johnston, B. A.
Lady Macbeth... Miss Emma Byam
Banquo..... Mr. J. G. McDonald
Fleance..... Mr. F. M. Johnston
Doctor..... Mr. Alex. Boyle
Gentlewoman..... Miss Ella Marsh
Messengers.... Messrs. C. Teasdale and H. Proctor

The parts were all well taken, but of course the leading characters were Macbeth and Lady Macbeth. The former was the picture of remorse as he faltered in perpetrating the terrible tragedy of murdering Duncan, the Scottish king, but little wonder is it that he finally yielded to the overmastering persuasions of the latter, whose ruling motive was an ambition to be queen of Scotland. The young actress showed a power of intellect, a determination of purpose, and a strength of nerve seldom seen among amateurs. The costumes and scenery although not expensive answered every purpose, and everybody seemed more than pleased with the evening's programme.

The proceeds after paying expenses netted about \$40, which will be used in the purchase of books for the High School Library. The teachers, Messrs. Coombs and Johnston, are to be congratulated not only on the success of the entertainment but on the good feeling which pervades the school and school section.

NOTICE!

Up to the present time we have done partly a credit business. Fortunately the credit part has got down to small dimensions, and now in justice to the cash principle we feel we must make a change. After full consideration we have decided that on and after November 1st next we will strictly enforce the Cash System in connection with our business.

It is needless to call attention to the losses incurred in running a credit business, such as interest, bad debts, &c., as the great majority of people are fully aware of its disadvantages, and recognize the "Cash System" as the correct business principle, beneficial alike to buyer and seller.

Standing as we do directly between the world's producers of our different lines of goods, and the consumers of Richmond Hill and surrounding townships, we realize our position to be one of public service, and hesitate not to declare it to be our ambition to make this service the most efficient to be found in Canada.

This ideal position we feel can only be reached through the "Cash System," with the worry and leaks of the credit system cut off, and the energy heretofore expended in entering, rendering and collecting accounts turned into the channel of wide-awake business management, we believe we will occupy a vantage ground far in advance of our present position.

We have no intention by this action to reflect on any. In obedience to our convictions we adopt a rule of business which we are firmly convinced will be advantageous to our customers, as well as to ourselves, and ask for the hearty co-operation of all in the mutual interest.
