## The Invention Of the Age

How to teach yourself to play THE PIANO OR ORGAN

The best method ever invented to teach you how to chord an instrument is without doubt the BRENTON METHOD. In fact it is so simple it teaches you at sight. The wonderful results were obtained by the inventor after years of hard study. It is a very easy matter to-day with this method to play the accompaniments of the most difficult songs, also dance music, marches, etc.

The Chord is a neat little device, consisting of 39 chords on 16 cards in different keys, put up magnificently with a number of ribbons, always keeping it in a neat and tidy manner. This indispensable arrangement is called

The D. A. Brenton Chord Method.

Price \$1.00 by mail post paid.

To be had from all music stores, or D. A. BRENTON, Care of Heintzman & Co., 115-117 King St. West, Toronto, Ont.
