GOOD TIMES.

The money now being made with our publications is surprising. We are still on the watch for skilful

CANVASSERS

And any person of good character can engage with us, either on salary or commission, to canvass or represent us on the road. As our system enables our agents to represent fifty odd publications, ours is a unique way of doing business. Many are making ten to fifteen, and a number twenty-five to

\$50 WEEKLY.

The latter did not make as much on the start, but were content with ten dollars. You could not join us at a better time. Previous experience not necessary. It is easier to sell books now than before Xmas, because there are not so many agents; the people are more at

LEISURE

To look at books; they haven't so many places for their money; they have more time to think of their need of good

BOOKS

To read during the long winter evenings, and for these reasons you can do a good business

NOW.

A Few of our Testimonials:

UNIONVILLE, Jan. 6th, 1899.
The Home Comfort Range is the best and most useful piece of furniture in my house. For heating, unsurpassed; for cooking and baking, second to none; as an economizer of fuel it has no equal. It requires one third less fuel than any other stove with which we have had anything to do. As an all round stove there is no other on the market to equal it. We have used ours nearly five years, and are more than pleased with it. REV. J. P. BRUCH.
This is to certify that we have used Home Comfort Ranges for the last four years, and can conscientiously say they are the best cook stove we have ever had in the house. It bakes well, heats well, and does its work in a perfect manner on less wood by nearly one half than any other stove we ever had, and consider them by far the cheapest and would not part with them.

The Invention. Of the Age

How to teach yourself to play THE PIANO OR ORGAN

The best method ever invented to teach you how to chord an instrument is without doubt the BRENTON METHOD. In fact it is so simple it teaches you at sight.
The wonderful result was obtained by the inventor after years of hard study. It is a very easy matter to play with this method to play the accompaniments of the most difficult songs, also dance music, marches, etc.
The remark is often made by people saying "If I could only play the chords, I would be happy." In this new method you get it all in a nutshell. No knowledge of music is necessary at all to understand this guide.
It is also a time and money saver.
The Chorder is a neat little device, consisting of 39 chords on 16 cards in different keys, put up magnificently with a number of ribbons, always keeping it in a neat and tidy manner. This indispensable arrangement is called

The D. A. Brenton Chord Method.

Price \$1.00 by mail post paid. To be had from all music stores, or

CONSULT YOUR OWN INTEREST BY USING AURORA BELLE. It takes out the lightest, brightest and best flavored bread of any flour on the market, and considering the large amount of bread per bush, and at the price of much inferior flour, it is easily the most economical flour to use.
A trial will easily convince you of its superior qualities.
