GOOD TIMES.

The money now being made with our publications is surprising. We are still on the watch for skillful

CANVASSERS

And any person of good character can engage with us, either on salary or commission, to canvass or represent us on the road. As our system enables our agents to represent fifty odd publications, ours is a unique way of doing business. Many are making ten to fifteen, and a number twenty-five to

\$50 WEEKLY.

The latter did not make as much on the start, but were content with ten dollars. You could not join us at a better time. Previous experience not necessary. It is easier to sell books now than before Xmas, because there are not so many agents; the people are more at

LEISURE

To look at books; they haven't so many places for their money; they have more time to think of their need of good

BOOKS

To read during the long winter evenings, and for these reasons you can do a good business

NOW.
