TAKE YOUR CHOICE.

RENNIE'S

NEW OAT

“ Danish White.”

Forty stalks produced from one grain; 769 grains
 grains from a single head.

The above actual yield would seem incred-
 ible if not authenticated by the testimony of
 eye-witnesses and the sworn statement of well-
 known farmers. Never before has such an en-
 ormous yield been known, while our claims for
 productiveness, plump, heavy grain, with thin,
 bright yellow, and close fitting shell, wonderful
 stooking qualities, and adaptability to great di-
 versities of soil and climate, have been main-
 tained.

Very productive, strong, stiff straw, growing
 in height from 4 to 5 1/2 feet; plump thin hulled,
 bright yellow grain, often three grains in a
 spikelet and evenly distributed over the entire
 head. The stalks do not lodge nor the grain
 fall off in stormy weather.

Price—Per lb. 20c., 4 lbs. 50c., post paid. Peck
 35c. Bush. \$1.10 bush. or over at 95c.

(Cotton Bags holding 24 bushels—
 15c. each extra.)

NEW SUGAR BEET

“ Danish Improved” Red Top.

For feeding to milk cows, noted for its won-
 derful butter producing qualities, of fine
 shape, splendid color, a very
 heavy cropper, easily
 harvested.

This New Sugar Beet comes from Denmark
 where it is used exclusively by the world's
 famous Dairymen. It is distinguished by its
 great productiveness.

For fattening purposes and for feeding to milk
 cows, in cases where a liberal flow of rich
 creamy milk is the main object (for butter pro-
 duction), this variety of root, without exception,
 is the best in the world. The roots are nice and
 clean, of fine shape and of a splendid color, and,
 growing considerably above ground, are more
 easily harvested than any other Sugar Beet.

Sold only in Sealed Packages, 1/2 lb., 20, 1/2 lb.
 30c., 1 lb. 50c., 5 lbs. \$2.25, postpaid.

Caution—We Control this Novelty. I sell it
 only direct to Farmers to avoid fraud.

WM. RENNIE,
 Cor. Adelaide & Jarvis Sts.,
TORONTO
