## THE LIGHT RUNNING CLEVELAND!

### THE WORLD'S GREATEST BICYCLE!

Radically new in details, designs and improvements.

The spindles of Cleveland cup and cone grinding machines, mounted on Cleveland Ball and Roller Bearings, have been run continuously at a speed of 33,000 to 35,000 revolutions a minute, ordinary ball bearings in the same machine cannot be run with safety at a speed higher than 13,000 a minute, all showing that friction in the patent Cleveland Ball and Roller Bearings is an unknown quantity.

Quality and weight a revelation, Surpasses all previous efforts, Examine them, Test them, Compare them.

PRICES, FROM \$40.00.

Agents everywhere. Write for catalogue.

## RENNIE'S

### NEW OAT "Danish White."

Forty stalks produced from one grain: 760 grains grains from a single head.

The above actual yield would seem incredible if not authenticated by the testimony of eye-witnesses and the sworn statement of well-known farmers. Never before has such an enormous yield been known, while our claims for productiveness, plump, heavy grain, with thin, bright yellow, and close fitting shell, wonderful stooking qualities, and adaptability to great diversities of soil and climate, have been maintained.

Very productive, strong, stiff straw, growing in height from 4 to 5 1/2 feet; plump, thin hulled, bright yellow grain, often three grains in a spikelet and evenly distributed over the entire head. The stalks do not lodge nor the grain fall off in stormy weather.

Price—Per lb. 20c., 4 lbs. 50c., post paid. Peck 35c. Bush, \$1, 10 bush. or over at 95c.

(Cotton Bags holding 2 1/2 bushels—15c. each extra.)

### NEW SUGAR BEET "Danish Improved" Red Top.

For feeding to milch cows, noted for its wonderful butter producing qualities, of fine shape, splendid color, a very heavy cropper, easily harvested.

This New Sugar Beet comes from Denmark where it is used exclusively by the world's famous Dairymen. It is distinguished by its great productiveness.

For fattening purposes and for feeding to milch cows, in cases where a liberal flow of rich creamy milk is the main object for butter production, this variety of root, without exception, is the best in the world. The roots are nice and clean, of fine shape and of a splendid color, and, growing considerably above ground, are more easily harvested than any other Sugar Beet.

Sold only in Sealed Packages, 1/4 lb., 20, 1/2 lb., 30c., 1 lb. 50c., 5 lbs. \$2.25, postpaid.

Caution—We Control this Novelty, and sell it only direct to Farmers to avoid fraud.
