MAY 24TH CONCERT.

The concert committee in connection with the Agricultural Society have been fortunate in securing first-class talent for the concert to be given on the evening of the Queen's Birthday. Toronto's favorite humorist, Mr. Bert Harvey, with his talented colleague, Mr. Kenny, will appear singly and together, and promise a number of new features. Miss C. M. Jones, the lady cornet soloist, who has won for herself an enviable reputation will give some choice selections, and Miss McMurtry, one of the foremost vocalists in Toronto, will also take part. Mrs. Bert Harvey, the accomplished pianist, will preside at the instrument, and in the second part of the programme Misses Watson and Powers will introduce some new and interesting features in a cake walk. \$10 CLEVELAND.

It is difficult to convince some people that a new 1899 Cleveland bicycle can be bought for \$10. Only a few years ago \$90 and \$100 was freely paid for them. First-class Cleveland wheels are nevertheless sold at THE LIBERAL office for \$40. These bicycles are fitted with Dunlop tires, dust-proof bearings and comfort coiled spring saddles. The firm this year are making 15 entirely different models, and they are the finest ever put on the market. They weigh 25 per cent less than other bicycles of equal strength, and hence run easier. The sporting fraternity will be pleased to learn that the efforts of the committee have been successful and that a match will be played here that day between the local team and the Mimico Stars, Mr. C. Elston, secretary of the home team, having received word that the terms are definitely settled. The Stars are a noted team, and many people in this village and vicinity will be glad of the opportunity of seeing them handle their sticks. This last acquisition to the programme, with the other attractions, insures a full day's amusement on the track and in the oval.

PUBLIC LIBRARY MEETING.

A meeting of the Public Library Board was held at THE LIBERAL office on Tuesday evening, one of the objects being to receive the auditors' report of the accounts of the Secretary and the Treasurer for the year ending the 30th of April. The report showed the receipts for the year to be \$311.35, expenditure \$253.39, leaving a balance in the treasurer's hands of \$57.96. The librarian's report showed that 144 volumes of books had been purchased during the year, that there are now 2657 volumes in the library, and that there were 3703 volumes issued during the year, also that the Reading Room is supplied with 4 daily papers, 14 weeklies, and 10 periodicals. Messrs. P. G. Savage, W. A. Sanderson and T. F. McMahon were re-elected chairman, treasurer and secretary respectively for the current year.

THE FIRST MATCH.

The lacrosse season opened here last Saturday by a match between The Athletes of Toronto and the local team. The home team won an easy victory over the visitors although the former had to exert themselves in securing their honors. When the teams lined up it could be seen that the Hill boys had slightly the advantage in weight, but the difference in size was scarcely noticeable. Several of the home team played their first match on Saturday, but the new blood gave a good account of themselves, and will doubtless make steady players before the close of the present season. The referee and umpires gave every satisfaction, and harmony prevailed throughout the match. The result at the close showed 8 to 0 in favor of the Hill boys who played a very good combination game. Mr. W. Savage refereed the match, and Messrs. J. Glass, and W. Murray acted as umpires. The following are the players on the respective sides:—Toronto—Giroux, Cameron, Dill, Papineau, Peniston, McArthur, McDonald, McLaughlin, Elliott, Moore, Scott, Travis.

Richmond Hill—A. Savage, G. Sims, B. Glover, J. Trivette, J. Glover, P. Lyons, C. Ellston, N. Barker, W. Trench, W. Clifford, H. Hooper, C. Hall.

The playing on the home team on Saturday promises a strong aggregation before the season is much farther advanced.

W. M. S.

At the meeting of the W. M. S. held at the parsonage last Thursday the envelopes which were distributed amongst the members a year ago for contributions towards a life member were collected. The contents amounted to \$23.75. As it requires \$25 to make a life-member a friend of Mrs. McCulloch's, from Parkdale, very generously made up the deficiency. Ballots were then distributed and the vote taken for the life-member. Mrs. McCulloch was the unanimous choice of the society and at the June meeting will be presented with a life membership certificate. Mrs. Proctor as president congratulated Mrs. McCulloch on her ability as an officer and spoke in highly complimentary terms of her usefulness and willingness to work, not only for the Missionary cause but in every good work. Mrs. McCulloch thanked the ladies for the honor they had so graciously conferred upon her. She said it was such a surprise to her that she was unable to find words to express her gratitude but her heart was in the work and her great aim is ever to be useful in the Master's service. At the same meeting Mrs. Switzer moved and Mrs. J. Morton seconded that the thanks of the W. M. S. be tendered the Revs. Geo. McCulloch and R. S. E. Large for the very excellent and appropriate sermons preached by them on behalf of the auxiliary, Sunday, April 23rd; to the choir for their efficient help and to the congregation for the liberal collection which increases the fund by \$6.57.
