 The above buggies are all in first-class order, will sell right.
 35-11 W. R. PROCTOR,
 Richmond Hill.

IS YOUR BICYCLE HEAVY

If so, it is caused by the use, for economical reasons, of heavy course parts in every part of its construction which does not add to the efficiency and requiring extra strength to propel.

CLEVELAND BICYCLES

weigh 25 per cent less than any other bicycle made, of equal strength, this high state of perfection has only been arrived at by an enormous extra cost in the shape of specially constructed sprockets, hubs, handlebars, chain, cranks, fork crown, spokes, saddles, etc., etc.

PRICES, FROM \$40.00.

Agents everywhere. Write for catalogue.

T. F. McMAKON,

RENNIE'S NEW OAT
 "Danish White"

Forty stalks produced from one grain; 769 grains grains from a single head.

The above actual yield would seem incredible if not authenticated by the testimony of eye-witnesses and the sworn statement of well-known farmers. Never before has such an enormous yield been known, while our claims for productivity, plump, heavy grain, with thin, bright yellow, and close fitting shell, wonderful stooking qualities, and adaptability to great diversities of soil and climate, have been maintained.

Very productive, strong, stiff straw, growing in height from 4 to 5 1/2 feet; plump, thin hulled, bright yellow grain, often three grains in a spikelet and evenly distributed over the entire head. The stalks do not lodge nor the grain fall off in stormy weather.

Price—Per lb. 20c., 4 lbs. 50c., post paid. Peck 35c. Bush. \$1.10 bush. or over at 95c.

(Cotton Bags holding 2 1/2 bushels—15c. each extra.)

NEW SUGAR BEET
 "Danish Improved" Red Top.

For feeding to milk cows, noted for its wonderful butter producing qualities, of fine shape, splendid color, a very heavy cropper, easily harvested.

This New Sugar Beet comes from Denmark where it is used exclusively by the world's famous dairymen. It is distinguished by its great productiveness.

For fattening purposes and for feeding to milk cows in cases where a liberal flow of rich creamy milk is the main object (for butter production), this variety of root, without exception, is the best in the world. The roots are nice and clean, of fine shape and of a splendid color, and growing considerably above ground, are more easily harvested than any other Sugar Beet.

Sold only in Sealed Packages, 1 lb., 20, 1 lb. 30c., 1 lb. 5c. 5 lbs. \$2.25, postpaid.

Caution—We Control the Novelty. A soil it only direct to Farmers to avoid fraud.
