 Thornhill.

Notice to Creditors

In the matter of the estate of Thomas Walkington, late of the Township of Vaughan in the County of York, farmer, deceased.
 Notice is hereby given pursuant to the statutes in that behalf, that all persons having claims against the estate of the said Thos. Walkington are required on or before the 5th day of June 1899 to deliver or send by post prepaid to Wm. Walkington, King, P. O., one of the executors of said deceased, or to the undersigned, their names and addresses in full, particulars of their claims and securities if any held by them. And further notice is hereby given that after said last mentioned date the executors will proceed to distribute the assets of the said deceased among the parties entitled thereto, having regard only to the claims of which they shall then have notice and the executors will not be liable for the assets of the said Estate or any part thereof to any person or persons of whose claim notice shall not have been by them received at the time of such distributions.
 WILLIAM COOK,
 No. 1 Adelaide St. E., Toronto.

IS YOUR BICYCLE HEAVY

If so, it is caused by the use, for economical reasons, of heavy course parts in every part of its construction which does not add to the efficiency and requiring extra strength to propel.

CLEVELAND BICYCLES

weigh 25 per cent less than any other bicycle made, of equal strength, this high state of perfection has only been arrived at by an enormous extra cost in the shape of specially constructed sprockets, hubs, handlebars, chain, cranks, fork crown, spokes, saddles, etc., etc.

PRICES, FROM \$40.00.

Agents everywhere. Write for catalogue.

RENNIE'S

NEW OAT "Danish White."

Forty stalks produced from one grain; 789 grains grains from a single head.

The above actual yield would seem incredible if not authenticated by the testimony of eye-witnesses and the sworn statement of well-known farmers. Never before has such an enormous yield been known, while our claims for productiveness, plump, heavy grain, with thin, bright yellow, and close fitting shell, wonderful stouling qualities, and adaptability to great varieties of soil and climate, have been maintained.

Very productive, strong, stiff straw, growing in height from 4 to 5 1/2 feet; plump, thin hulled, bright yellow grain, often three grains in a spikelet and evenly distributed over the entire head. The stalks do not lodge nor the grain fall off in stormy weather.

Price—Per lb. 20c., 4 lbs. 50c., post paid. Peck 35c. Bush. \$1.10 bush. or over at 95c.

(Cotton Bags holding 2 1/2 bushels—15c. each extra.)

NEW SUGAR BEET "Danish Improved" Red Top.

For feeding to milk cows, noted for its wonder, full butter producing qualities, of fine shape, splendid color, a very heavy cropper, easily harvested.

This New Sugar Beet comes from Denmark where it is used exclusively by the world's famous Dairymen. It is distinguished by its great productiveness.
 For fattening purposes and for feeding to milk cows, in cases where a liberal flow of rich creamy milk is the main object (for butter production), this variety of root, without exception, is the best in the world. The roots are nice and clean, of fine shape and of a splendid color, and growing considerably above ground, are more easily harvested than any other Sugar Beet.

Sold only in Sealed Packages, 1 lb., 20, 1 lb. 30c., 1 lb. 50c., 5 lbs. \$2.25, postpaid.

Caution—We Control this Novelty. Sell it only direct to Farmers to avoid fraud.
