We have two mails by the Metropo-  
litan every day and the mail comes in  
once a day by the old way. If the one  
who delivers the mail at some of the  
offices up this way would just take a  
little more time it would be better for  
him in time to come.  
We had a nice fall of snow up this  
way. Some have been out with the  
sleighs already.

The wedding talked about some  
time ago, a little north of here was
