

IN OTTAWA VALLEY

Reuben Draper, of Bristol, P. O., Reports That He is Cured of Gravel by Dodd's Kidney Pills.

Passed a Large Stone One Week After Commencing Dodd's Kidney Pills—Now Completely Free From This Trouble—Recommends Dodd's Kidney Pills to All Sufferers From Bladder Complaints.

Bristol, P.Q., Jan. 22.—The people on the Quebec side of the Ottawa River are fully alive to the boon they have in Dodd's Kidney Pills as is witnessed by the large number who are publicly testifying to the merits of Dodd's Kidney Pills in the press. One of those is Mr. Reuben Draper, of Clarendon, near here.

Mr. Draper was troubled with that painful and dangerous bladder complaint known as gravel. Dodd's Kidney Pills cure Gravel, and when it is remembered that a surgical operation was formerly the only means of assailing this disease, the value of Dodd's Kidney Pills is apparent. Dodd's Kidney Pills were recommended to Mr. Draper, and he tried them, with complete success, as the following letter will show.

Jan. 3, 1900.

Dodds Medicine Co. Gentlemen,—About three years ago I was taken ill with what I thought was gravel. I was suffering great pain so I sent for a doctor. He gave me some medicine and said he would call again. He came twice more and charged me fifteen dollars. I was a little better but not well. A short time after I had another attack, so I tried another doctor with about the same result, only I was getting weaker all the time. Then a man advised me to try Dodd's Kidney Pills, for he said he had cured his mother. So I thought I would try them, and in just one week I passed a stone as large as a small bean, and in four days after I passed another about the size of a grain of barley. This gave me great relief and I commenced to feel better and to gain strength.

That is two years ago, and I have not had any trouble that way since. I have the stones still in my possession and can show them to anyone who doubts this story. Hoping this may be of some benefit to someone suffering as I did.

I am your truly,
REUBEN DRAPER.

WOMEN OF THE TRANSVAAL.

The average Boer is big, brawny and strong, ruddy cheeked and wholesome, yet never handsome. The women, as a rule, do not approach the fresh and simple beauty seen in the north of Europe. Here and there throughout the Transvaal you will find a handsome Dutch girl, but not often. Their dress, usually of some cheap print, and the hideous poke bonnet, so universal do not add to their attractions. They are curiously afraid of exposing their complexions to the sun, and are often pale and pasty in appearance. It is a curious thing to see, how carefully a Boer woman will shade her face, and even keep her hands beneath her apron, when in the sun.

Yet, on the whole, the women of the Transvaal are not unattractive—when you get used to them.

A SISTER SAVED.

Sickness Banished—Health Restored
Gentlemen,—Dr. Ward's Blood and Nerve Pills have done my sister so much good that in grateful appreciation I told Mr. Tully, the druggist, I would gladly give a testimonial unsolicited, as to their merits. My sister, 15 years of age, caught a violent cold—since then she has been in very poor health, lost all colour, was anemic, her blood had no vitality, and she had no physical strength, she became extremely nervous, so much so that she could not stand any exertion or excitement, and it was impossible for her to get restful sleep, she lost her appetite, her heart became very weak, palpitating so violently that she could hardly breathe at the slightest exertion. When she commenced taking Dr. Ward's Blood and Nerve Pills two months ago she was in a state of complete physical and nervous prostration. Her blood was scanty with no more strength than water. Since taking Dr. Ward's Blood and Nerve Pills she has been rapidly mending, her appetite has returned, she sleeps well her nerves are stronger, and her heart gained strength so that it is able to fulfill its functions. Prior to taking Dr. Ward's Pills she had taken many medicines without any special benefit. Dr. Ward's Blood and Nerve Pills are certainly the only medicine that has done any good. Before taking them she was getting weaker, her heart and nerves losing strength daily. Since she had begun taking them she has daily and continuously gained health and strength.

A GOOD TIME.

Two little London girls who had been sent to have a happy day in the country, narrating their experiences on their return, said:
Oh! yes, mum, we did 'ave a 'appy day. We see two pigs killed and a gentleman buried.

SHE WAS MISTAKEN.

Lady at the door—I believe, in my heart, you are the same tramp I gave a large piece of Christmas pudding to a few days ago.
Tramp—No, ma'am, you're mistaken, He's dead.

LOVING WORDS.

Loving words will cost but little. Journeying up the hill of life; But they make the weak and weary Stronger, braver for the strife. Do you count them only trifles? What to earth are sun and rain? Never was a kind word wasted. Never was one said in vain.

When the cares of life are many, And its burdens heavy grow, Think on weak ones close beside you— If you love them, tell them so, Kindly words, for they are sunshine In the dark and cloudy day. Grudge no loving word or action, As along through life you go; There are weary ones around you— If you love them, tell them so.

Had Catarrh Since Childhood But Catarrh-cure Cured Him.

Ulric Breault, of Sweetburg, Que., says: "Since childhood I have been afflicted with Catarrh of the throat and nose and never knew what relief meant till I tried Catarrh-cure. Two bottles completely cured me, and I have not one single symptom of Catarrh now. I can heartily recommend Catarrh-cure for Catarrh, and would advise all sufferers to get an outfit at once and be cured as I was." Catarrh-cure is sold by all druggists. Trial outfit sent for 10c in stamps by N. C. POLSON & CO., Kingston, Ont., Proprietors.

You mustn't play with Mr. Borum's hat, Bobby," said a young lady who was entertaining a caller, to her small brother. "Why mustn't I?" asked the youngster. "Because you might break it," replied his sister, and, besides, he will want it shortly.

Greatheart, solemnly—if I give you this penny, what will you do with it? "Tatters, sarcastically.—I'll be honest with you, gov'nor: I'll spend it all in riotous living."

Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that can not be cured by Hall's Catarrh Cure. Send for circulars, free.

A TORONTO MERCHANT

Bears Important News to His Fellow Citizens.

Toronto, Jan. 5.—Here is a letter we hope every one of our readers will peruse:—"I am 39 years old. Have been troubled for four years with what I thought was Rheumatism—stiffness in the muscles of my legs, later in the arms. Soon the stiffness changed to soreness. Went to Hot Springs, and came back a little better. Was a moderate drinker, but quit using liquor altogether, and carefully regulated my diet. One day I got wet and then the trouble was worse than ever. Had to lay off for three weeks. Have had similar attacks at intervals ever since, each one worse than its predecessor. Had headache, pain in the small of the back, urine dark, scanty and scalding. Began using Dr. Arnold's English Toxin Pills a short time ago, and am already wonderfully improved. Feel confident they will cure me, and I shall give them the chance and report. I have not felt so well for years as I have since I began using your pills. H. LEWIS, 477 Yonge St., Toronto.
