### HOCKEY BOYS CARNIVAL.

There was a very fair attendance at the carnival Tuesday evening. Special cars from Toronto and Newmarket brought a large number of visitors all along the line. The ice was good, but the number of masqueraders was small. The principal feature of the evening was a hockey match between the home team and Newmarket. The visitors proved too fast for the Hill team, the latter being defeated by a score of 7 to 1. The proceeds amounted to \$26.68.

Let every member of the Circle be present next Monday evening, and come prepared to ask and answer questions. Last Monday evening a most profitable hour was spent in the study of the "Life of Luther." The meeting will open at 8.35 sharp. Non-members are always welcome.

### TROLLEY ACCIDENT.

Tuesday was a day of accidents on the Metropolitan Railway line. Something happened to the gearing of one of the cars going south, and had it been going fast at the time it would in all likelihood have left the track. In the afternoon one of Joe Brillinger's cows came in contact with a car in the Village, and last evening after dark a car ran into a truck carelessly left on the track in front of the Grand Central Building. Some protruding planks on the truck were jammed through the front of the car and a man standing beside the driver had his face cut.

### THE CHOIR'S OUTING.

The choir of the Presbyterian church and a few other friends were entertained at Sunny Hill Farm, the residence of Mr. and Mrs. John Savage, a few evenings ago. The host and hostess extended every hospitality to the guests and made everybody feel perfectly at home. Music and various games were indulged in and a most enjoyable time was spent. Some of the older members of the Board of Management joined in the youthful pastimes, but while their heads may have been right their feet had apparently forgotten some of the intricate windings of the mazy figures which they attempted to cut. One of the features of the programme was the performance of some tricks in lager-demain which were executed with such adroitness that observation was completely eluded.

### AGRICULTURAL MEETING.

The annual meeting of the R. H. & Y. S. Agricultural Society was held yesterday afternoon. The auditors' report showed the net receipts of the last fair to be \$100. The following officers were elected:—

### MOODY'S REMARKABLE LIFE.

We have received a book of much importance at the present time, from the Poole Publishing Company, Toronto, "The Life of D. L. Moody." The book is attractive, and is well printed on good white paper. Thirty-three pages of illustrations embellish its pages, covering the outstanding features in Mr. Moody's career, home life and religious experience. Its circulation will probably be very large, as Mr. Moody had a powerful influence in Canada, was known here quite as well as across the line, and his was a potent name in thousands of Christian households. The book is published at 25 cents in heavy paper cover, or 50 cents bound in cloth, is for sale at all bookstores or will be sent postpaid by the publishers on receipt of price. Everyone will want to read the life work of this remarkable man.

### HIGH SCHOOL CONCERT.

Miss Gemmill of Stratford, has consented to appear and will give a number of new and interesting movements in physical culture. Now that Cronje has been captured and General Roberts' army is in the heart of the enemy's country, all are anxious to find out the facts about the Boers and their land. Professor Mackenzie of Trinity University, will give his now famous talk on "The Boers in South Africa." He has given this talk on many occasions this winter and has invariably met with a warm reception. The H. S. Glee Club will sing new songs to enliven proceedings, so all may look for a pleasant and instructive evening. The proceeds go to the Library of the High School. The Masonic Hall, Friday evening, March the 2nd. Doors open at 7; entertainment at 8 o'clock sharp. Tickets, adults, 15 cents; children, 10 cents.

### SCIOPTICON VIEWS.

The Junior League entertainment last Friday evening was in every respect a success. The Junior League President, Master Starr McMahon, took charge of the evening, and opened the proceedings promptly at eight o'clock. After the opening hymn, "Hark! 'tis the Shepherd's Voice," Mr. A. J. Humel in prayer. Master Karl Storey, the Secretary, read the annual report. The President made a very pleasing speech, after which he called upon Rev. Mr. Wellwood to show his sciopticon views of the scenes in the British Isles and "The Pilgrim's Progress." Mr. Wellwood explained the pictures very clearly as they were thrown upon the canvas. Both the members of the Junior League and the audience paid the best attention throughout the whole evening. From time to time the audience sang beautiful selections fitting to the picture being exhibited. At the close of the entertainment, the President, on behalf of the Juniors, thanked Rev. Mr. Wellwood for his kindness, and called upon Mr. Johnston to take the chair for the remainder of the evening. After singing the Doxology, Rev. Mr. Large pronounced the Benediction. The collection amounted to \$4.62.

### PATRIOTIC CONCERT.

Posters will be circulated in a day or two announcing a concert to be held in the Masonic Hall on Friday evening, March 9th, in aid of the National Patriotic Fund. Citizens generally are showing a disposition to assist in this laudable enterprise, and local entertainers in the village and from a distance have cheerfully placed their services in the hands of the committee for that evening. Mr. T. H. Lennox of Aurora, has kindly consented to preside, and the following are among the performers who have already expressed a willingness to take part in the programme:—Miss Florence G. The Metropolitan Company have agreed to the following reasonable rates: Toronto and return after the concert, 25 cents; York Mills, 20 cents; Thornhill, 15 cents; Newmarket and Aurora, 25 cents; Oak Ridges and Bond's Lake, 15 cents.

# While we do live Why not live well

Life is composed of eating, sleeping, working, and more or less enjoyment, but the greatest of all these is eating. And you should have variety, the best, the purest, and should buy where your dollar will go the farthest.

We make your wants our study. We buy wisely and know what we offer you is fresh and pure. As to price—Well the price stands for itself.

If an article is marked 10 cts. that's ten cents. But the price is not the whole story. Is it pure? Has it been bought at an auction sale of groceries? Has it been in the store for a year or two?

We give you our guarantee of the purity—You can take your own conclusions as to the lowness of the price.

We quote:—  
Pure Lard, 3 lbs. for 25c.; best cooking Figs, 6 lb. for 25c.; very fine golden Dates, 4 lbs. for 25c.; Extra cleaned currants, 4 lb. for 25c.; Wheat Flakes, 9½ lb. for 25c.; Green coffee, 10c. a lb.; Pure Corn Starch, 5c. a lb. Kipperd Herring, 10c.; Extra Red Salmon, 11c.; California Dried peaches, 12c. a pound; California prunes, 8c. a pound.
