CANADA'S IDEAL.

One of the most effective means of education is through the eye. Regarding farm live stock this is particularly true. With this idea in view, the Farmer's Advocate, of London, Canada, has just completed a magnificent engraving upon which its staff has been engaged for over six months, and we must offer congratulations upon the success of the work, an advance copy of which we have received. Three large pictures, representing other breeds of stock, were previously issued by the publishers of the Advocate, but this one, entitled "Canada's Ideal," surpasses them all, and portrays from photo engravings a dozen choice specimens of the highest type of the cosmopolitan Shorthorn. The animals chosen are from the representative herds of H. Cargill & Son, Cargill, Ont.; Thos. Greenway, Crystal City, Man.; J. G. Barron, Crystal City, Man.; C. A. Archibald, Truro, N. S.; Capt. Robson, M.P.P., Ilderton, Ont.; W. D. Platt, Hamilton, Ont.; W. G. Pettit, Freeman, Ont.; W. C. Edwards & Co., Rockland, Ont.; A. W. Smith, Maple Lodge, Ont.; H. Smith, Hay, Ont.; Walter Lynch, Westbourne, Man.; J. & W. B. Watt, Salem, Ont.; and W. S. Lister, Middlechurch, Man. "Canada's Ideal" is certainly a triumph of live stock, portraiture and the engravers' art, and must prove of inestimable value to the live stock interests of the country. The price of the picture has been fixed at the nominal figure of one dollar, but may also be had by sending in two new subscriptions to the Farmer's Advocate. We trust it will enjoy, as it richly deserves, a large and widespread circulation, not only because it will be an ornament to any home, but for the good it will do.
