DRESS WON'T SAVE THEM.

The opinion was freely expressed on the 24th of May that our village authorities exceeded their legal powers by putting a loud-mouthed individual in the lock-up, who was wearing the Queen's uniform. The authorities did right, and were quite within their powers. Those in the Queen's uniform should conduct themselves as gentlemen, not like blackguards.

CLEVELAND SKELETON GEAR-CASE.

This favorite feature on last season's models has been materially improved—and all riders who appreciate really fine points in a bicycle will appreciate the "dust-proof" idea which has been perfected in this popular mount. The Skeleton Gear-Case is light and neat in appearance, and is a specially desirable feature on a lady's wheel. Every 1900 improvement on the Cleveland is an important one. Look into them, or write for a catalogue.

For high-class tailoring we always lead; our customers are always sure of getting the best value for their money, the best imported trimmings, in fact the best of everything, and also a good fit. Atkinson & Switzer.

EXTINGUISHED IN TIME.

There was quite an excitement around town Tuesday afternoon about 1.30 when the "fire" bell sounded. A chimney on Mrs. Trench's residence took fire and burned out. The fire burst into one of the bedrooms, but the only damage done was blacking the walls and burning some of the paper. It was most fortunate that the flames were subdued so quickly as with the fierce wind which was blowing at the time and the dryness of everything around, the fire would have been serious had it got any headway. The fire brigade turned out but the services of the men were not required.

Tickets to tea and entertainment, 15 cents. The proceeds are to be applied to the Sabbath School Organ Fund.

THE LADIES' AID.

The Ladies' Aid of the Methodist church held their annual meeting for the election of officers for the ensuing year last Friday afternoon. The election was as follows:—Pres., Mrs. J. H. Sanderson; Sec'y, Miss Trench; Treas., Mrs. J. A. E. Switzer. The dinner and tea served on the Queen's Birthday was in every way a success financially, the proceeds exceeding those of last year. The Ladies' Aid desire to express their thanks to all who assisted in providing edibles for their dinner and tea; to those who assisted so faithfully in serving the same and to the many who so generously lent their patronage. The sum realized was \$97.65.

LACROSSE.

The Secretary of the lacrosse club asks us to say that the lacrosse season will open in Richmond Hill on Saturday next by an exhibition game between the local team and the Tecumseh-Elms of Toronto. The boys have of late been putting in some hard practices and hope by the experience gained in this game to win the first League game of the year against the Shamrocks of Toronto Junction on Saturday, June 9. The management would like to see a good turnout at Saturday's match as it will be impossible to play throughout the season unless our National game receives the patronage which it honestly deserves. Game called at 4 o'clock. Admission 10 cts.; Children 5 cts.

JUNE REVIEW.

The American Monthly Review of Reviews for June is a well-illustrated number. The important news topics of the month are editorially treated in "The Progress of the World," the opening department. A character sketch of James J. Hill, a "Builder of the North-west," is contributed by Mrs. Mary Harriman Severance, who outlines the remarkable career of the president of the Great Northern Railroad. Dr. Albert Shaw, the editor, writes from full knowledge on "Paris and the Exposition of 1900." Mr. Jacob A. Riis, author of "How the Other Half Lives," forecasts the work of the New York Tenement-House Commission recently appointed by Governor Roosevelt. Mr. Cleveland Moffett writes on "Automobiles for the Average Man." Mr. Charles A. Conant describes the operation of the refunding law passed by Congress last March. There are also illustrated articles on summer camps for boys, the Passion Play at Oberammergau, and new fiction for summer reading.

W. M. S.

The W. M. S. of the Methodist Church will hold their June meeting in the Sunday School Room next Thursday, June 7th, at 3 o'clock. A cordial invitation is extended to all interested in mission work. The members are specially urged to attend this meeting, as business of importance will be transacted. The subject for prayer and study for June is "Missionaries and Missionary Ships."

LORD ROBERTS.

Lord Roberts has on more than one occasion expressed his admiration for the Canadian Boys who are taking such an active part in the South African War. In all the correspondence from the front it is also pleasing to note the esteem in which the boys hold their friend "Bobs." Lord Roberts has the Canadian boys with him all the time. This is a great compliment to Canada. There are thousands of Canadians who have friends or relatives in the Canadian Contingent and who would be glad to have a portrait of the great general under whom they are fighting and fighting successfully. The Family Herald and Weekly Star has published a really handsome colored portrait of Lord Roberts and we have completed arrangements with them by which all our readers and residents of this vicinity can secure a copy. It is a true picture of the famous general. It is 17x22 inches, an exact reproduction of a painting by one of the best European artists. We will send THE LIBERAL and the Family Herald and Weekly Star from now until December 31st, 1900, including Lord Roberts' portrait 17x22 for the sum of \$1.00. To any LIBERAL subscribers whose subscriptions are already paid we offer the Family Herald and Weekly Star, until December 31st, 1900, including the Lord Roberts' picture, for 60c. The above offers are open for a limited time only.
