RICHMOND HILL, June 21, 1900

A Prohibitory law has been passed in Manitoba, and already a vigorous appeal has been made against the measure by hotel-keepers and business men in Winnipeg. The Licensed Victuallers' Association claim that Manitoba has the strictest license law in Canada, and that drinking will be increased rather than diminished if the new law is enforced. In this particular the hotel-keepers in Manitoba resemble those in Ontario. If a Prohibitory law were proposed in this province to-day they would point to the stringent provisions of our present law which requires that no liquor shall be sold in hotels from 7 o'clock Saturday evening until Monday morning, that they must not sell to habitual drinkers &c., &c. But too many of these men continue to sell both on Saturday night and Sunday as if there was no law to govern them. And when men who are not supposed to get liquor are seen staggering in the street a suspicion is at once created that the law has not been observed.

Wilson, the defaulting teller of the Merchant's Bank, has been sentenced to serve seven years in Kingston penitentiary. Shortly after his arrest two months ago he pleaded guilty to the charge of having taken \$2,000 of the Bank's money, but would not admit that he knew anything about the \$10,000 that so mysteriously disappeared on the 18th of April. He was found guilty of both charges. To some people this long sentence of seven years may seem severe. But this man was no ordinary thief. His position in the bank was one of trust and no doubt this fact was taken into consideration by the convicting magistrate.

Mr. Arch. Campbell, proprietor of The Queen City Flour Mills, Toronto Junction, and M. P. for West Kent, has been appointed a member of the Emergency Rations Committee. Mr. Campbell is one of the most prominent members in the House of Commons.

The Methodist Church was crowded on Sunday evening when Rev. G. K. Adams of Hamilton preached a sermon under the auspices of the Masonic Lodge. Over 60 members of the Order met at the lodge room and marched to the church, all wearing regalia and other Masonic emblems. Many were present from Richmond Hill, Maple, King City, Woodbridge and other lodges. Rev. Mr. Adams who is an enthusiastic member of the craft preached an excellent sermon from the text, "For we have seen His Star in the East," Matt. ii, 2. The collection which was a liberal one, was in aid of the Hospital for Sick Children, Toronto.

The members and adherents of the Presbyterian church purpose celebrating Dominion Day (July 2) as usual by holding their Annual Garden Party in the Hawthorn Mineral Spring Grove. Games and sports of various kinds will be provided and the Thornhill brass band will furnish a choice program of music. Tea will be served from 5 to 7 o'clock, and strawberries and cream, ice cream and other delicacies will be served at a booth and at little tables close by. Reduced rates will be given on the electric cars which will run past the grounds every hour.

**Maple**

Last Saturday the Methodist Sabbath Schools of Maple and Hope held their picnic at Lake Wilcox. About twenty conveyances, double and single, carried the picnickers, over 200 in number, to their destination, where they arrived shortly after noon. Dinner was served as soon as it could be got ready, and the whole afternoon was given up to sports, such as football, swinging, bathing and boating. Some who did not care for such sports enjoyed a quiet stroll through the grove, or sat and watched the others having a good time. The day was perfect, the water calm, and all enjoyed themselves to the utmost. Fortunately no accident happened to mar the pleasure of the day. Tea was served at 6 p. m., and shortly afterwards the party broke up and all returned home feeling quite tired but happy.

A garden party in connection with St. Stephen's Church was held at Mr. Geo. Watson's, near the townline, last Thursday evening. The sum of \$55 was realized. A program was given consisting of solos by Miss E. Keffer; a duet by Mrs. G. Cook and Mrs. V. V. Moore; choruses by Hope Male Chorus Club; and several selections by the Maple Quartette.

Rev. Mr. Ellison of Toronto, preached in the Presbyterian Church last Sunday morning.

Several from here went on the excursion to the Model Farm at Guelph, on Saturday last.

Miss Emma Byam, while driving one of her ponies from Hope Tuesday evening, was thrown out of the cart and received a severe cut in the head, necessitating several stitches. The pony ran away, but no other damage was done.
