### DR. McCONAGHY'S DEATH.

Relatives and friends were shocked on Friday last about 2.30 p. m. when a telegram reached here bearing the sad news that Dr. Frank McConaghy, second son of Mr. F. McConaghy of this village, was dead. The unexpected news spread rapidly, and everybody was anxious to learn the particulars of the sudden death. Messrs. F. and J. McConaghy, father and eldest brother of deceased, started on the 4 o'clock car and reached Midland about 11 p. m. The body was brought to his father's home Saturday night, and interment took place in the family plot Sunday afternoon. Before leaving the house a service was held, and a short address, appropriate for the solemn occasion, was given by the pastor, Rev. J. A. Grant. On the casket were many floral offerings, a number being from friends in Midland and vicinity where he had successfully practised as a physician during the past seven years. The deepest sympathy is felt for the relatives, and especially with the widow who is left with five children, the eldest being only eight years of age. Deceased was born in this village, and always lived here until he entered upon the duties of his profession. He attended High School and afterwards the Toronto School of Medicine, taking his degree about eight years ago. He was a young man of good ability, and his sudden death at the early age of 33 years and 6 months has cast a gloom not only over his native village, but over the territory surrounding Midland where he practised with marked success. The immediate cause of death was inflammation of the bowels and kidneys, and the deadly attack was of less than a week's duration. The bereaved wife, who is a sister of Dr. Rolph Langstaff, will in all likelihood remove with her young family to this village.
