**The Liberal.**

RICHMOND HILL, August 2, 1900

The Leader and Recorder says:—  
“The Ottawa Government has kindly set aside the sum of \$5000 for a Post Office at Toronto Junction.” After this expression of appreciation, however, the article ends in hinting that the motive for granting the money is to gain votes at the next Dominion election. If the Leader and Recorder thinks that Toronto Junction is not entitled to the \$5000 it should condemn the Government for making the grant, but if the town should get it the same as scores of other towns and cities it is hardly fair to look upon the grant as an act of bribery. For large towns and cities to be assisted in this way is the rule, and not the exception.
