## PICTURE OF THE QUEEN GIVEN FREE.

To every subscriber will be mailed a beautiful plate of Her Majesty Queen Victoria and the Prince of Wales.

This picture, which usually sells for 75 cents, is the handsomest picture of the royal mother and son ever published in Canada. The conventional portraits of the Queen represent her as much younger than the cycle of years has left her, and yet it is as the aged sovereign that her people love her and will remember her. As the mother of her people she will ever be remembered—the type of English womanhood and motherhood. Fitting it is, therefore, that she should be painted along with her son, the future King, and so in this historical picture the Prince stands behind the chair of his royal mother. The picture is 18 x 24 inches, in 15 shades or colors, and, suitably framed, would be an ornament on any wall.

It is a special painting, made exclusively for The Toronto Star, and is a work of art.

THE LIBERAL and Star to Jan'y 1, 1901, for 75 cents.
