The Liberal.

RICHMOND HILL, November 1, 1900

WILL SWEEP THE COUNTRY.

Sir Wilfrid Laurier enjoys a unique popularity not only in Canada but in the motherland. It looks as if the Liberals, under his leadership, will again sweep the country, and, indeed, to the non-partisan onlooker, there seems to be no good reason for a change. The country is prosperous, the manufacturing interests were never more so; and it is not claimed that a change of Government just now would result in a better or more economical administration of public affairs.—Dominion Presbyterian.

Let some person might think that the W. H. Scott who had a letter in The World a week ago, dated at Markham, belittling Mr. N. W. Rowell, was Walter Scott, the stalwart Liberal at Victoria Square, it may be just as well to state that such is not the case. Mr. Walter Scott has been for several years a great admirer of Mr. Rowell, the Liberal candidate.

At Weston yesterday Mr. Arch. Campbell and Mr. N. C. Wallace were nominated by the Liberals and Conservatives respectively as candidates for the Dominion election which takes place next Wednesday. Eagle Hall, where the speeches were made, was crowded, and the deepest interest was taken in the proceedings.

It is often claimed that the Conservatives of Canada are a united party. Sir Mackenzie Bowell in a speech at Carlton Place on the 25th of October said: "So long as I have a voice left, Hon. John Haggart and some others should never occupy a seat in a cabinet in this country."

"Throughout the country the words Liberal, Reformer and hypocrite are synonymous." Mr. W. R. Brock, the Conservative candidate for Centre Toronto, has doubtless regretted many times that he uttered the above sentence a few evenings ago in Association Hall.

Electors of East and West York, take your choice. By voting for Rowell and Campbell next Wednesday you are voting for Sir Wilfrid Laurier as Premier of the Dominion. By voting for Maclean and Wallace you are voting for Sir Charles Tupper.

Senator Fulford of Brockville, has taken legal proceedings against Hon. N. Clarke Wallace for stating that he had purchased a senatorship, and that he was using his promotion to advertise his business.

Increase of trade during eighteen years of Conservative rule, \$66,619,906; during four years of Liberal rule, 142,600,495.

Maple

An accident of a painful nature happened last week to Carl Pengally, who is employed by Mr. J. Rose. He was working at the new school-house at Concord, when the scaffold on which he was standing gave way, throwing him to the ground and fracturing his left wrist. He will be off work for some time.

Rev. Peter Campbell of Maple, but not pastor of the Methodist church as incorrectly stated by the Toronto World, spoke last week at several political meetings in the interests of the Conservative party.

Our merchants have adopted the early closing system and in the future places of business will be closed every evening at eight o'clock, Saturdays excepted.

Revival services are being held in the Methodist church every evening. Mr. Percy Ketter has been re-engaged as teacher for Vellore public school for next year.

Misses Carrie and Lelia Shunk of Toronto were visiting with friends in the village over Sunday.

Dr. Sisley and Mr. T. Cousins left on Monday with a party from Toronto

for Parry Sound for the deer hunting season. Mr. Bert Jackson has gone to Muskoka to hunt.

Mr. Chas. Pilson and Miss Rachael Vanderburgh were married in Toronto on Wednesday of last week by Rev. T. E. E. Shore.

Rev. E. Dymond will preach his farewell sermon in St. Stephen's next Sunday afternoon prior to his leaving for Port Hope.

Mr. Wm. Knight has moved into his new residence and Mr. J. T. Saigeon and family of Richmond Hill are moving back here this week. All the vacant houses are being rapidly taken up.

An enthusiastic meeting was held here last night in the interests of Mr. A. Campbell, Reform candidate for West York. Mr. Leeds Richardson acted as chairman. The speakers were Mr. Campbell, Mr. J. W. St. John and Mr. W. Hill. During the evening Hope Male Chorus sang a number of selections.

There was a very good attendance at Mr. Wallace's meeting Tuesday evening. The speakers were Mr. Wallace, Mr. Carson, Mr. Bond and Dr. R. B. Orr. Mr. J. T. Saigeon occupied the chair.

may be your specialty. Repairing fine watches is my specialty.

The most profitable work in all lines is done by specialists.

You will find it profitable to pay a fair price to a good workman when your watch needs repairs.

It is not the repairs left undone that injures a good watch but it is by having repairs improperly done that ruin watches and makes them so difficult and expensive to put in first-class order.

Try me on a difficult repair job—Satisfaction guaranteed.
